

\*\*\*Public Notice 5/2/24 @ 3:40\*\*\*

The water over Tristan Dam has receded below the 10” threshold and the gates to the dam will be opened. It is advised that low rise vehicles do not cross, and all others use caution when crossing. If the rain continues, and the water rises above the 10” threshold, the gates will be closed again.

Thank you,

City of Ivanhoe
