Saturday mornings as well but there are NO volunteers currently. Anyone is free to use the Nets and putting green other times but there are no guarantee equipment access.

It was agreed that Tuesday and Thursday and weekends are the generally good golf outing days. We will look for deals during those days if other opportunities arise members will be notified.

Transportation will be provided by members.

The club will investigate **9- hole outings and special clinics/events** for women.

5. Planned Dates: **May 16 golf outing to Weequahic Golf Course** in Essex County NJ,
May 23, 5 to 7 pm putting and chipping clinic PG#10 open to All.
June 8th Rockland Lake State Park golf course.

6. The Metropolitan Golf Association is offering 50% discount membership if our club gets 10 or more members to join. Please notify us if you are interested, please contact me if you are interested. This would be a big deal for our Club status in MGA if we can.

7. Congestion pricing will significantly affect transportation costs for our neighborhood. Please contact your Public Officials (councilmember Keith Powers, Assembly person Harvey Epstein, State Senator Kristen Gonzales) Stuyvesant Town Tenants association - Susan Steinberg – they have no strong opinion, Community Board Six – very vague , & wait and see). Please express your strong opinion.

Last, parking is getting harder and harder, soon we will lose 20thst parking near Ave C. However, **NYC DOT has recently eliminated all parking along the South side of Stuyvesant Town along 14th street from Ave C to Ave A** – for an express bus lane. This is even though traffic is low enough NOT to impair bus mobility.

Please contact your representatives regarding your opinion on these matters.

If you have any other comments or revisions please contact us at info@stuyvesantgolf.com

Finally, OUR NEXT MEETING WILL BE ON WEDNESDAY MAY 22 AT 6 PM AT STUY CAFE
