

GEORGINA ROLLER DERBY

Event Sponsorship Information Package

Georgina Roller Derby League is a grassroots, member-run, inclusive sports league. The purpose of GRDL is to provide residents of the Georgina and surrounding area with the opportunity to learn to roller skate and participate in roller derby. As a sport, roller derby promotes fitness, coordination, strategy inclusivity, and cooperation. As a league, we promote acceptance, empowerment, and confidence in our players and other members. We practice once per week, year round. The league travels during the bout season, and we are beginning to host games on our home track in Georgina.

League History:

In 2019, GRDL was created with a Learn to Skate membership and by June 2019 GRDL participated in its first game at Fresh and Furious with a total of 9 skaters and a few pick up players. Since reopening post-pandemic, GRDL now has a fan base, and has taught almost 100 local adults how to roller skate. GRDL created the Hell's Belles, the first team in the GRDL family, composed of varying level skaters that are eager to compete with the other leagues of Ontario. The league hosts practices in Georgina at the Sutton Arena and hosts games at both the Georgina Ice Palace and the Sutton Arena. Full contact, live roller derby - a unique experience to participate in and to witness in Georgina!

How We Are Run:

As a member-operated organization we are governed by an elected Board of Directors. The players and non-playing members do all the planning and preparation for the bouts, practices, and other events. Everyone is a volunteer. Our community is made up of players, referees, non-skating officials, supportive partners, friends, children, and fans. We are grateful to everyone who helps us make this sport possible in Georgina. The Georgina Roller Derby League is affiliated with and operates under the rules of Women's Flat Track Derby Association (WFTDA). The sport is fast, exciting, and full contact. It is organized, controlled, and official.
