## Welcome

The Lamb and Lion, is a place where the community comes together to drink, laugh and enjoy the music.

The pub hosts a range of services from traditional pub grub to a licensed venue downstairs.

As a free-house pub we stock a wide range of your favourite beverages. We can also buy what we like when we like, so if you fancy something special for your event, just let us know and we will make sure we have it in stock.

We pride ourselves on having a friendly environment and are confident once you have visited our establishment you will be returning for years to come.

We also have decades of experience in the nightclub and music business, which enables us to run the venue the way we want it. With the knowledge and experience of our team we can cater for a variety of events from, weddings, wakes, parties and music events. We can also organise the print and design of invites, posters banners and flyers.

Whatever your requirements do not hesitate to ask, we are more than happy to facilitate your needs.

We are delighted to have brought the atmosphere back to the Lamb and Lion, your local pub in the heart of the community.

We look forward to you visiting us time and time again!
