## 1. GENERAL DISCLAIMER

- 1.1 The information provided on the Peak EHS, LLC website is for **general informational purposes only**. All information is provided in good faith; however, Peak EHS, LLC makes no representation or warranty of any kind, express or implied, regarding the accuracy, adequacy, validity, reliability, availability, or completeness of any information on the website.
  - 1.2 Nothing contained on this website constitutes, or is intended to constitute, an offer, solicitation, or invitation to engage the services of Peak EHS, LLC in any jurisdiction where such offer would be unlawful or unauthorized.
  - 1.3 Peak EHS, LLC reserves the right to modify, update, or remove any content on the website at any time without prior notice.
- 

## 2. PROFESSIONAL DISCLAIMER

- 2.1 **No Professional Advice.** The content published on the Peak EHS, LLC website does not constitute professional environmental, health, or safety advice. The information presented is general in nature and is not tailored to any specific individual, organization, facility, or set of circumstances.

- 2.2 Not a Substitute for Professional Consultation.** The information provided on this website should not be used as a substitute for consultation with qualified Environmental Health & Safety professionals. Users are strongly encouraged to seek the advice of competent EHS professionals for matters involving workplace safety, environmental compliance, industrial hygiene, hazardous materials management, or any other EHS-related concern.
- 2.3 No Client-Consultant Relationship.** Viewing, accessing, or otherwise using the content on this website does not create a client-consultant relationship between you and Peak EHS, LLC. A professional engagement exists only upon execution of a formal written agreement between Peak EHS, LLC and the client.
- 2.4 Jurisdictional Variations.** Environmental, health, and safety regulations vary significantly by jurisdiction—including federal, state, and local levels—and are subject to frequent change. The information on this website may not reflect the most current regulatory developments in your jurisdiction.
- 2.5 Regulatory Complexity.** Requirements promulgated by the Occupational Safety and Health Administration (OSHA), the U.S. Environmental Protection Agency (EPA), and other federal, state, and local regulatory agencies are complex, highly technical, and site-specific. Compliance with such requirements demands a thorough, site-specific assessment by qualified professionals. Users should not rely solely on information published on this website for compliance decisions.
- 2.6 Consult Directly.** Users should consult directly with Peak EHS, LLC or another qualified EHS professional before making any decisions or taking any actions based on the content of this website. Peak EHS, LLC is available for professional consultation to address your specific EHS needs.

---

### **3. NO GUARANTEES OF COMPLIANCE**

- 3.1** The information published on this website does not guarantee regulatory compliance with any federal, state, or local environmental, health, or safety statute, regulation, standard, or ordinance.
- 3.2** Regulatory compliance is dependent upon specific circumstances, including but not limited to:
- (a) The nature and scope of the User's operations and activities;
  - (b) The applicable federal, state, and local regulatory requirements;

- (c) Proper implementation of recommended practices and procedures;
- (d) Site-specific conditions, hazards, and environmental factors; and
- (e) Ongoing monitoring, maintenance, and updating of compliance programs.

**3.3** Peak EHS, LLC expressly disclaims any responsibility for any User's failure to achieve or maintain compliance with applicable regulations as a result of reliance on website content.

---

## **4. ERRORS AND OMISSIONS**

- 4.1** While Peak EHS, LLC strives to ensure that the information on its website is accurate, current, and complete, the website may contain technical inaccuracies, typographical errors, or outdated information. Regulatory standards, best practices, and industry guidance are subject to change, and website content may not always reflect the latest developments.
  - 4.2** Peak EHS, LLC is not responsible for any errors, omissions, or inaccuracies in the content of the website, regardless of the cause, and shall not be liable for any damages arising from the use of or reliance on such content.
  - 4.3** Peak EHS, LLC does not warrant that the website will be uninterrupted, error-free, or free of viruses or other harmful components.
- 

## **5. EXTERNAL LINKS DISCLAIMER**

- 5.1** The Peak EHS, LLC website may contain links to external websites or resources that are not owned, operated, or controlled by Peak EHS, LLC. These links are provided for convenience and informational purposes only.
  - 5.2** Peak EHS, LLC does not endorse, guarantee, or assume responsibility for the accuracy, relevance, timeliness, or completeness of any information, content, products, or services provided on or through any external websites.
  - 5.3** Peak EHS, LLC shall not be liable for any loss or damage arising from the use of or reliance on any content, goods, or services available on or through any external websites. Users access external links at their own risk.
-

## **6. TESTIMONIALS AND RESULTS DISCLAIMER**

- 6.1 Any testimonials, case studies, success stories, or descriptions of past results displayed on the Peak EHS, LLC website represent individual experiences and outcomes. These accounts are provided for illustrative purposes only.
  - 6.2 Past results and client experiences are not indicative of, and do not guarantee, future performance or outcomes. Each client's circumstances are unique, and results will vary based on specific conditions, regulatory requirements, and other factors.
  - 6.3 Peak EHS, LLC does not make any representations or warranties regarding the outcomes described in any testimonials or case studies published on the website.
- 

## **7. FAIR USE DISCLAIMER**

- 7.1 The Peak EHS, LLC website may contain copyrighted material the use of which has not always been specifically authorized by the copyright owner. Peak EHS, LLC makes such material available for educational, informational, and commentary purposes in an effort to advance understanding of environmental health and safety issues.
  - 7.2 Peak EHS, LLC believes this constitutes "fair use" of any such copyrighted material as provided for in Section 107 of the United States Copyright Act (17 U.S.C. § 107).
  - 7.3 If you wish to use copyrighted material from this website for purposes of your own that go beyond fair use, you must obtain permission from the applicable copyright owner.
- 

## **8. LIMITATION OF LIABILITY**

- 8.1 **TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, UNDER NO CIRCUMSTANCES SHALL PEAK EHS, LLC, ITS OWNERS, MEMBERS, MANAGERS, OFFICERS, EMPLOYEES, AGENTS, CONTRACTORS, OR AFFILIATES BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, PUNITIVE, OR EXEMPLARY DAMAGES ARISING OUT OF OR IN CONNECTION WITH THE USE OF, OR INABILITY TO USE, THE WEBSITE OR ANY INFORMATION PROVIDED THEREON.**

**8.2** This limitation of liability applies regardless of the form of action, whether in contract, tort (including negligence), strict liability, or any other legal theory, and regardless of whether Peak EHS, LLC has been advised of the possibility of such damages.

**8.3** Without limiting the foregoing, Peak EHS, LLC shall not be liable for any loss or damage incurred as a result of:

(a) Reliance on any information provided on the website;

(b) Any errors, omissions, or inaccuracies in website content;

(c) Any interruption or cessation of transmission to or from the website;

(d) Any bugs, viruses, or other harmful code transmitted through the website; or

(e) Any failure to achieve regulatory compliance based on website content.

---

## **9. USE AT YOUR OWN RISK**

**9.1** Your use of the Peak EHS, LLC website and any information, materials, or content available thereon is **solely at your own risk**. Peak EHS, LLC assumes no responsibility for any consequences arising directly or indirectly from any action or inaction you take based on, or made in reliance on, the information, services, or material provided on this website.

**9.2** You are solely responsible for evaluating the accuracy, completeness, and usefulness of all information, opinions, advice, services, and other content available through the website.

**9.3** Peak EHS, LLC strongly recommends that you verify all information and consult with a qualified EHS professional before making any decisions related to environmental, health, or safety matters.
