THE ESSENCE OF GENEALOGY

A TEACHING BY PASTOR MAX

“A man's today is shaped by the roots of yesterday.

KNOW YOUR TREE.
HONOUR YOUR LEGACY.
BUILD THEIR TOMORROW.

OUR PAST IS NOT JUST HISTORY.
IT IS HERITAGE.

CHRIST CONGRESS GLOBAL

This month, we reflect on a powerful teaching by Pastor Max: **The Essence of Genealogy**.
Genealogy is more than names on a list. It is the story of God's hand across generations. It reveals our identity, our inheritance, our purpose, and the patterns we are called to continue or break.

WHY GENEALOGY MATTERS

IT REVEALS IDENTITY

You are not an accident. You are part of a divine plan and a generational purpose.

IT REVEALS LEGACY

What was passed down can either empower you or limit you. Awareness brings freedom.

IT REVEALS PATTERNS

Some patterns must be broken. Others must be preserved and passed on.

IT REVEALS RESPONSIBILITY

Every generation has a role to play in building a better tomorrow.

“The righteous man walks in his integrity; His children are blessed after him.”
PROVERBS 20:7 NKJV

REFLECTION QUESTIONS

- Do I know my spiritual and family heritage?
- What legacy am I passing on?
- What patterns do I need to break?
- What godly values will I leave behind for the next generation?
