CELEBRATING WOMEN OF GOD AND MOTHERS - DECLARATIONS - FAITH INJECTION

A note for the Women of God

This month we don't just celebrate women but the women of God we are called to be. In one of the older teachings 'Virtues of a woman of God' (on Spotify/Apple music) we identify the values of great women of God e.g. Proverbs 31 woman. We are blessed to be in a house with a WOG like Deaconess Sabine, who allows us to imitate her as she embodies the scriptures. We aim to be women of great impact.

I am industrious

Proverbs 14:1

I am compassionate

Proverbs 31:19

I am kind

Proverbs 31:26

I am prudent

Proverbs 19:14

I am classy

Proverbs 31:21-22

*My character
beautifies me!*

No two journeys are the same, the journey to being a great Woman of God is not one of comparison, rather it's of constant study and time spending with the Lord. Let your life be a great testimony of what God is doing with WOG of our generation. God needs your obedience, your submission to His will, determines how much the Lord can do with you.
