Warfare in Action

It's coming up to the end of the year where the enemy has many things planned to inhibit God's children from entering into the new year and finishing the year strong. Thank God we are in a prophetic ministry and we shall tarry in prayer! Here are some scriptures you can take with you into a time of prophetic warfare prayers:

Psalm 64:2 Psalm 35:1-10 Psalm 68:1-2 Psalm 91:13 Isaiah 54:17 Isaiah 59:19

Tips on praying with scripture:

- Dwell on the scriptures - don't rush each line
- Meditate on the scripture and envision it coming to life.
- Look out for tokens the Lord will give you as you pray
- Focus - distracted prayer can quickly become 'vain babblings'

Fasting with purpose

"I ate no pleasant food, no meat or wine came into my mouth, nor did I anoint myself at all, till three whole weeks were fulfilled" Daniel 10:3

Although fasting revolves around the starving of your flesh in order to fill our spirits, it is not merely the avoiding of food and drink for a season that makes our fast effective. Below are some tips to help with your fast:

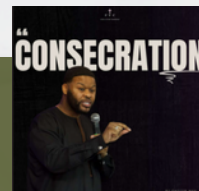

1. Cut out distractions, - limit social media and any unnecessary programs
2. Prayer is the key - In prayer the Lord will reveal exactly what you are tackling and in prayer you engage in warfare.
3. Keep your heart free from offence - it can hinder your prayers and open doors for the enemy to creep in.

How to be an effective Christian daily

This month work on swapping out your screen time for:

Time in the Word

Set your heart on studying the scriptures whether that is via Bible plans, studying a character in the Bible or a book etc.

3 Hours prayer daily

Aim to be at morning prayer at 5.45am and give yourself time in God's presence. The teachings sink in more when you are a person of prayer. Maintain a life of prayer outside church!

Christian content creation/Evangelism

Let the Lord use you to spread the Gospel to someone on the other side of the world via your social media content.
