Advertising Opportunities

We are reaching out to local businesses looking to take an interest in youth sports, specifically, our youth baseball and softball programs. At AIA, we host dozens of youth baseball and softball teams, helping them achieve their full potential in sport and eventually in life. With your help, you can play a part in that growth.

-How YOU can help-

Baseball/Softball advertisements \$350 – Ballplayers need Baseballs! In this program, three dozen baseballs or Softballs will be purchased with your company logo and be used daily in the facility. We will supply the balls and have your logo imprinted on them. You just need to supply the artwork.

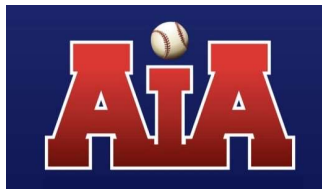

1 Year Banner, 3' x 8' \$450 – Your custom banner will be prominently displayed within the facility for parents and players to see each time they use the facility. We will supply the banner and get it placed in the facility. You just need to supply the artwork.

Example Banner:

Armstrong Indoor Athletics
(724) 793-7529

138 S. Grant St.
Kittanning PA 16201

1 Year Web Banner, \$300 – \$750 – Your company logo or ad will be prominently displayed on our website, AIA.Team. Price varies depending on availability and placement. We have various spaces available for ads on our site. Be one of “Our Community Partners” on one of our pages for \$300 or purchase an entire ad slot all to yourself for a full year for \$750. Ads will contain a hotlink to the URL of your choice and can be updated as needed.

Example:

Banners and Balls Double Play \$750 – Hit a Double with your advertising investment with this package by combining a bucket of balls with a 3’ x 8’ banner in the facility for one full year.

AIA Baseball Diamond Package \$1000 – \$1250 – Hit a Grand Slam with your advertising investment with this package by combining all three advertising opportunities to include a bucket of balls, a 3’ x 8’ banner and ad space on AIA.Team. You can choose to be one of “Our Community Partners” or have a Standalone Ad.

We appreciate your interest in Armstrong Indoor Athletics and the work we’re doing in the community. We hope we can help you while you help us, help some kids in Armstrong and surrounding counties.

Thank You,
Pat Fabian
Director, AIA
