It is often said that the character and personality of an organization stems from its leader, and United Fiberglass is no exception. Before passing, Jim Seitz built his career and company over the past 50+ years bringing innovation, loyalty, quality and experience to the industry. UFI is proudly family owned and operated.

UFI began operations in Amarillo Texas on May 1, 1972. Guided by the principles of quality, commitment, integrity and customer satisfaction, the UFI team has contributed to the success of clients both large and small from the Panhandle of Texas and across the country. Our goal is to provide each customer with personal service and products designed to fit their individual needs. We are offer competitively priced products with on-time delivery.
