Michelle Welch is an internationally respected psychic medium, medical intuitive, attorney, bestselling author, and spiritual teacher. Photos & Video Policy

NWTS will be taking pictures throughout the weekend. Please ask people to exclude you if you do not want your picture taken. That applies to your fellow conference attendees who are taking photos as well.

You are welcome to take photos of presenters unless they express otherwise. All presentations are recorded and will be available in our private ZOOM links that will be shared with all attendees; therefore, videos are not allowed unless they are short clips. You also need not worry about getting a photo of every PowerPoint slide.

Lost & Found

Lost & Found is located in the vending hall at the SoulTopia/NWTS Booth. Any unclaimed items will be donated to Goodwill at the end of the weekend.

Need Help? Our Staff is Ready!

Look for the special Lanyards with the NWTS Staff on them. If anyone is wearing this lanyard, they are on the clock and available to help or ask at the NWTS Headquarters Table in the Main Ballroom.

Tips to Maximize Your Experience

- Ask before hugging and respect boundaries.
- NWTS adheres to the current COVID policies and requirements.
- Exchange and respect pronouns. “Hi, I’m Michelle (she/her). Nice to meet you.” “Hi Michelle, I’m (name), (they/them).”
- Be respectful to yourself, hotel staff, restaurant and bar staff, NWTS staff, and other participants.
- Keep your NWTS program with you at all times.
- Wear your badge at all times.
- Look for signage or ask the staff where to go.
- Check out the Swap Table.
- Give yourself self-care (sessions are recorded, so pace yourself).
- Visit the vendors and purchase goodies to take home.
- Save your Raffle tickets and show up to all drawings.
- Read class descriptions to know what to bring to class.
- Don’t try to do it all – pace yourself.
- Stay hydrated.
- Dress in layers as the rooms can vary in temperature.
- Remember to eat - food is grounding.

POTLATCH TABLE

To participate in the potlatch, you will need to leave something of value on the table, then pick up any item you would like. Kindly ensure your exchange is fair and limit yourself to one or two items simultaneously. PLEASE KEEP YOUR ITEMS DIVINATION RELATED!

Examples: tarot decks, oracle decks, crystals, books, etc.

RAFFLES

NWTS has many raffles with donations from our speakers, sponsors, and vendors. There are several ways to obtain raffle tickets, including but not limited to checking in, attending events, attending presentations, finding your NWTS Buddy, showing kindness to staff, and buying NWTS merch. There will be several opportunities to win throughout the weekend. Visit the Vending Hall to see the raffle prizes. Simply place your tickets in the raffle box.

You must be present to win!

NWTS BUDDY

While NWTS is in its 11th year, 2026 is a reunion of sorts. Many of us have not seen one another in person for several years. Our gathering is also an opportunity to meet new divination friends. To facilitate mingling, we have randomly assigned NWTS BUDDIES. Look at your NWTS badge after you check in. Each badge has a tarot card on the back. Look at the badges of other attendees and speakers because another NWTS participant will have a match to yours. Find them during the weekend and introduce yourself. You and your buddy can visit the Registration/Con Information table to each receive two extra raffle tickets. You may choose to interact more by attending a presentation together, grabbing coffee, or perhaps even exchanging email information after the event.

ZOOM Recordings

All presentations are being transmitted LIVE via ZOOM. Please note this may inhibit your presenter's ability to move around the room. Please limit your questions to the end of the presentation unless instructed otherwise by the presenter in your room.

Post-NWTS Presentation Access

Recordings of the presentations will be available to you for 30 days. This is only for those who bought a ticket. It is not for anyone else. An email will be sent to you within two weeks of the event. The link is good for 30 days from the date of receipt.

NWTS 2026 presents: The Art of Reading Tarot Just Walking Around by Jason Cosmos

This presentation is about taking your Tarot skills beyond the reading. Be like fabled seers and mythic oracles as you move through the 'real world' applying your Tarot reading skills to life in real time.

I'll be giving away 10 copies of the my friend's books (below) to people attending my presentation.
