

ABOUT US

The Baltimore Gamer Symphony Orchestra & Choir was founded by Kira Levitzky in 2013. The BGSO performs orchestral arrangements of video game music for the greater Baltimore community. In addition to performances, we provide various musical learning opportunities when possible. We have worked alongside Baltimore City Schools, Artscape, the Maryland Zoo in Baltimore, and Freefall Baltimore, among others. We do not require any auditions for entry into the ensemble. All musical skill levels and backgrounds are welcomed, and experience with video games is not required to join.
