

## **About the Baltimore Gamer Symphony Orchestra:**

*The BGSO is a community orchestra and choir that performs orchestral arrangements of musical themes from video games for the enjoyment of the Baltimore community and surrounding areas. Along with concerts, we also host Instrument Petting Zoos where children and adults are able to interact with various musical instruments. Our goal is to encourage our community to understand orchestral video game music as an art form, rather than just the background soundscape for a video game. Additionally, we accept members of all musical levels and backgrounds to foster a renewed sense of pride in one's musicality.*

Our rehearsals take place from 7 – 9 pm on Wednesdays at the Sollers Point Multi-Purpose Center at 323 Sollers Point Road, Dundalk, MD 21222

**Donating to our orchestra is tax deductible, and welcomed so that we can fund instrument repairs and rentals or further events in the community.**

**Check out [baltimoregso.org](http://baltimoregso.org) for more information!**

*Our orchestra is a program under the Baltimore County Department of Recreation and Parks at Turner Station. We are a free to join non-profit organization. {These programs are designed to provide a healthy and enjoyable leisure experience for your child, not to provide child care. Staff/volunteers can not detain youth wishing to leave at any time. Should you require special accommodations (i.e. sign language interpreter, large print, etc.), please give as much notice as possible by calling the Therapeutic Office at (410) 887-5370 [voice] or (410) 887-5319 [TTY/Deaf]}*
