

Dear Business Owner or Representative,  
Re: Dills Celtic Festival

On Saturday, April 14, 2018 there will be a community celebration jointly sponsored by the Northern York County Historical Society and the Dillsburg Area Business Association to celebrate the history and heritage of Dillsburg and the surrounding area with our first annual Celtic festival. Dillsburg was named in honor of the founding father of the earliest settlers, Matthew Dill, who located here about 1740. He came from the county of Monaghan, Ireland. It was primarily the Scots, Irish and Welsh immigrants that were some of the first Europeans to settle and develop the surrounding area. The Dills Celtic Festival is the combined effort of the NYCHAPS and DABA organizations and is located on the grounds of the historic Dills Tavern. Celtic musicians, dancers, vendors of crafted and themed merchandise, and food and beverage vendors will be there for this memorable event.

This has been a labor of love and we are committed to this event. Based on the communities interest we anticipate a minimum of 500 attendees with expectations of exceeding 750. Sponsor partners are supporting the festival with their donations and sponsorships. We invite you to join our current partners and consider supporting the Dills Celtic Festival as well. Below are some suggested sponsorship levels but any amount will help to support the celebration. All sponsors will be included in the "Sponsors" section of the festival's website and listed in the program. Also, their businesses logo will be added to the website's "Partners" section. So far this month our website, [www.dillscelticfest.com](http://www.dillscelticfest.com), has had over 1.2K visitors and you can be on it.

We ask that all ads for the program be print ready and that logos be emailed to [del@soho-computer.com](mailto:del@soho-computer.com) or sent to NYCHAPS.

Make checks payable to **NYCHAPS** with **Dills Celtic Festival** in the memo and mail check and form to:

NYCHAPS  
PO Box 340  
Dillsburg, PA 17019
