PRESIDENT'S MESSAGE

Fellow Shooters –

WELCOME TO THE 111TH Minnesota State Trapshooting Tournament. We hope you enjoy our shoot, and we are thankful that you chose to attend. Thankfully we were able to hold our shoot last year after having to cancel the 2020 shoot. This year we hope you can attend but realize with the rising costs of everything and the lack of shells, (STILL!!) that some of you may not be able to. Last year in the Singles Championship we had three shooters that ran the 200. Ben Dietz (this seems to be the usual), Hunter Brown (first 200 for him!) and the first resident woman to ever run the 200, Laure Zumbusch. If I remember right Laure almost had the boys beat early but dropped a target to tie for that round. In the end, Hunter Brown outlasted Ben and Laure to win with needing to use shells from the crowd. Congratulations also to; Ross Larson for winning the Handicap Championship, “Old Timer” Scott Gens winning the doubles, John Kelly winning the HAA (finally after placing as runner up for a while) and Peter Walker for winning the HOA.

Please take note of the following items for this year:

1. This year, because of rising costs, we are changing the format of the HOF Induction/Shooter Recognition Ceremony. It will still be held on Friday after the days shooting is over. We will incorporate our sponsored Brat feed and the ceremony will be open to all, no charge.
2. There will be no Live Auction this year since Federal is no longer donating shells. All items will be put on the Silent Auction.
3. At the Annual Meeting on Sunday at 8:00 AM you will be required to show your paper average card to receive a paper ballot if one is required for election of officers. Also, those in attendance inside the room will be the only ones allowed to cast a ballot.

The MTA would like to thank the following sponsors:

Alexandria Power and Equipment	Grand Rapids Gun Club	Kelly Concrete
Alexandria Shooting Park	Bob & Annie Munson	Recob's Target Shop
Anonymous Source	Randy Jones	Shamrock Leathers
Becker Co. Sportsmen's Club	Midwest Garage Doors	Wille Transport
Bob Schulz Target Shotguns	Minneapolis Gun Club	White Flyer
Buffalo Gun Club	Monticello Sportsmen's Club	Winona Sportsmen's Club
Del Tone Shooting Range	Owatonna Gun Club	

If you have an item for the Silent Auction, please contact any MTA board member or Mark and Sally Stevens. Proceeds from the auction benefit the Minnesota Youth Shooting Program and your support is greatly appreciated.

Sunday's Annual Business meeting will begin promptly at 8:00 AM. New officers and directors will be elected and any new business that needs attention will be openly addressed. Should you have something you want to discuss at the annual meeting, please submit your proposal to the BOD at least 10 days prior to the meeting. Plan on attending to show your support and have your voice heard. Minutes from last year's annual meeting will be posted around the clubhouse for you to view and will not be read, just approved. Minutes are also on our website.

Lastly, a few parting notes. First, two food trucks will be on hand this year and one will be serving breakfast. Second, do not expect Alexandria Shooting Park to have shells for you to buy. Third, the cost of the computer software program to run the shoot has increased significantly. This year the MTA will absorb those costs but in the future we may have to extend them to the shooters. If and when you see our event sponsors and advertisers, be sure to say “Thank You” for their continued support and dedication to the MTA and our State Shoot. Have yourself a great shoot!

Sincerely,

Matt Bickell

MINNESOTA TRAPSHOOTING ASSOCIATION 2022 HALL OF FAME INDUCTEE

Charles "Chuck" Eckstein Supporting Member

Born in 1936, Chuck was the only boy of four siblings. His father passed away when he was 8 years old. He spent many of his childhood years growing up on his grandparent's farm in Hamel, Mn. His early education was through Holy Name, a two room school. After WWII he moved to Minneapolis with his mother and sisters. He later attended Vocational High School where he learned his lifelong skills as a jeweler and diamond setter. He married his wife, Judy, in 1958. They had one daughter, Kim.

He and two friends decided to try hand trap in the early 1960's, leading to registered skeet shooting shortly after. By 1970 they found that trapshooting had a larger community and more competition in the sport. That first year Chuck shot his first registered targets in handicap with a 78% average. In 1971 he held a 90.75% average in 16 yd. He shot his first 100 doubles at Owatonna Gun Club. It seemed as if he found his niche.

Reflecting back on his 50+ years in the sport, he has won numerous prizes, awards, trophies, and the respect of the trapshooting community. He has traveled around the country, participating in a myriad of other state shoots, including Iowa, where he competed for 25 years.

Some of his most memorable accomplishments include:

- Receiving two belt buckles for his first 100 in 16yd. and first 100 in Doubles at Owatonna Gun Club.
- Achieving the 27 yard line in Handicap at Forest Lake Gun Club.
- Participating in three shooting leagues each summer.
 - Making the 1980 Central Zone team.
- 1999 Wisconsin State Shoot Boxhorn's Handicap Champion.
- Scoring 199/200 16yd. while competing at the 100th Grand American in Vandalia, Ohio.
 - Making the Minnesota All State Trap team 15 times in Men's, Vet's, and Sr. Vets ('88, '89, '96, '01, '02, '04, '05, '06, '07, '08, '09, '10, '13, '14, '17).
 - Winning Minnesota State Shoot Zone Championships 10 times.
- Was Minnesota State Shoot Champion of Champions 5 times ('05, '07, '08, '09, '17).
 - Awarded his Quarter Million Club pin.
 - Lifetime member of the ATA.

Chuck will be 85 years of age at the time of his induction, and still active in the sport. To date he has 260,505 registered targets. With over 100,000 in 16yd. His goal in finishing out his trapshooting career is to achieve 60,000 targets in doubles, and 100,000 in handicap. Anyone who knows him is sure he will reach his objective.

When asked what was his biggest take away from all these years in trapshooting, he said he is most grateful for the lifelong friendships he has made.

MINNESOTA TRAPSHOOTING ASSOCIATION 2022 HALL OF FAME INDUCTEE

Randy Cook Shooting Member

I am extremely honored to join the list of great people in the Minnesota Trapshooting Hall of Fame. I've seen the pictures on the wall of inductees and only hoped I could be good enough to have my picture up with them. But then later I was told my pic would have to hang in the men's room, because there wasn't room for me.

Growing up in the northwoods of the Chippewa National Forest, hunting, fishing and shooting were always the most important areas of interest in my life. I grew up in a family of hunters and good fishermen. My parents operated a bait business year round and so the duck and deer hunting fit right in. Growing up in the 50's and 60's, our family never knew what beef tasted like. I have two sisters, Gail and Gloria and a brother, Scott. The girls had dolls and Scott & I had guns. Life was good.

I was very fortunate to be introduced to trapshooting at an early age by my dad (Phil Cook) and my uncle (Bill Cook). The Grand Rapids Gun Club became my "home away from home". At a young age of 12 my brother and I were allowed to shoot five shots at the club when we went there. At 14 we loaded all the shells that were needed for shooting and the loader was in our bedroom, along with the powder and primers. In today's world we would be considered terrorists.

In 1965 I shot at the Minnesota State Shoot and won the title of Sub-Jr. Champion. That silver belt buckle I earned became my most treasured possession. The next year (1966) my brother Scott and I were the first brothers to win the titles of Sub-Jr. and Junior Champions at the Minnesota State Shoot. I won the Junior title again in 1967 and 1968. Winning championships at the state shoot gave me a lot of confidence in my early life. I know what it does for young people to succeed in life and gain confidence in themselves no matter what the sport may be for them.

Life forced me to step away from trapshooting from 1969-1982. Those years were spent working hard, getting married, having children and buying a trucking company. My wife Diane and I have 3 children and we are very proud of their accomplishments in life. They all hunt and fish, imagine that! We will celebrate our 50th anniversary in September 2022. The trucking company has taken a lot of our time in life, but it was worth it.

I started shooting registered targets again in 1987 and became an ATA Life Member in 1989. I was able to team up with a good friend and shooting mentor from Cass Lake, Dennis Swearingen. Dennis and I attended many shoots together. Since shooting registered, I've made state teams for 10 years and All-American team for 5 years.

Frank Redfield and I first attended The Grand in 2014 for the first time. We've been to every Grand since. In 2016 I won the 16 yard Winchester AA Sub-Vet Singles Championship and the Sub-Vet National 16 yard Championship.

One highlight that stands out to me was in 2019 at The Grand. Fifty-two shooters all had 200 straight and got in a very long shoot-off. After 543 rounds it was down to just me and one other guy. He ended up winning the national title, but I was very happy that night to go the distance and be the last one out. I did get the Veteran National Championship that night, and again in 2021.

Going to the different shoots all around the country has been so enjoyable. The camaraderie and friendships made over the years are priceless. Trap shooters have become my "band of brothers" and I look forward to shooting as long as I am able. I enjoy very much seeing my friends at the clubs every year. Now with the youth shooting there are new friends to talk to. It doesn't get any better than that.

Thank you for this honor. I will do my utmost to live up to it, and keep our sport alive.

CATEGORY SHOOTERS

SPECIAL ATA CATEGORIES

(from the 2021 ATA Rulebook, Section IV, Paragraph K)

All Ladies, Sub-Juniors, Juniors, Junior-Golds, Sub-Vets, Veterans, Senior-Vets, and Chair Shooters must declare their special category at the time of classification in any registered tournament if they wish to compete as a category shooter. Without such declaration, the contestant will not be allowed to compete for the applicable category trophy. No contestant will be allowed to declare or change a special declaration after firing his/her first shot. If a classification error is discovered BEFORE the close of an event, the error shall be corrected for that event and all subsequent events. If an error is discovered AFTER an event is closed, all corrections shall be made for subsequent events only. In either case, all previous events the shooter shot in will be in the "Open Category". Either case may or may not affect the shooters eligibility for the HOA and HAA, depending on when the error was corrected.

1. A female shooter, who has not reached her 55th Birthday, may declare Lady I
2. A female shooter, who has reached her 55th Birthday, may declare Lady II
3. A shooter who has not reached his/her 15th birthday may declare Sub-Junior.
4. A shooter who is 15 but has not reached his/her 18th birthday may declare as Junior.
5. A shooter who is 18 but has not reached his/her 23rd birthday may declare as Junior Gold.
6. A shooter who is 55 but not reached his/her 65th birthday may declare as a Sub Veteran.
7. A shooter who is 65 but not reached his/her 70th birthday may declare as a Veteran.
8. A shooter who is 70 years of age and older may declare as a Senior Veteran.
This rule does not supersede paragraph 10.
9. Age based categories are established on the birthday of the shooter. For purposes of determining age category for HOA and HAA awards the category declared by the participant on the first day he/she shoots shall be used.
10. Shooters who become eligible for new age based categories during the target year may elect to continue to compete in the previous category for the remainder of that target year. (For example a shooter reaching age 70 may elect to continue to shoot as a Veteran for the remainder of the current target year.) However, once a shooter has elected to 18 move to the new category that decision is irrevocable and he/she may not again declare eligibility for the previous category. Junior shooters reaching the age of 18 may continue to declare Junior category for the remainder of the current target year.

Note: Age based special category shooters that are in contention for or desire to achieve All-American Team recognition should review the All-American Team policy on page 57 prior to declaring a new special category.

When there is no Sub-Junior trophy, Sub-Juniors will be included in the Junior category. Senior-Veterans will be included in the Veteran category when there is no Senior-Veteran trophy.

Where there is no Junior-Gold or Sub-Veteran Trophy, these shooters will be Included in the Open Class. Where there is no Lady II trophy, these shooters will be included in the Lady I category.

L. CHAIR SHOOTERS

Only shooters that have a permanent disability or condition that requires them to shoot from other than a standing position shall qualify for the Chair Category.

1. The Chair category designation will be assigned only by the Central Handicap Committeer Zone CHC representative upon request by each individual shooter and a new average card will be issued with the Chair Designation.
2. Shooters with a temporary condition that requires a scooter or other type of device are not qualified for Chair Category.

This rule does not in any way prohibit any shooter from shooting from a chair, stool, scooter or any other seating device.

SPECIAL MINNESOTA-ONLY CATEGORIES

MN LADY B (Previously known as Lady II) applies to female shooters whose Singles Category is Class C or D.

NOVICE CATEGORY applies to shooters with no registered targets prior to the current ATA target year.

MINNESOTA TRAPSHOOTING ASSOCIATION

State Team 2022 Requirements

General Requirements

- Only ATA registered targets and Minnesota club attendance from September 1, 2021 through August 31, 2022 will be used in consideration of the Minnesota 2022 State Teams.
- Shooters must register 700 singles, 700 handicap and 400 doubles in state (Sub-Junior categories are not required to shoot doubles).
- Shooters must complete the HAA (High All-Around) at either their resident Minnesota Zone Shoot or the Minnesota State Shoot (Sub-Junior categories are not required to shoot the doubles component of the HAA).
- For State Team purposes, a shooter's category will be determined based on their declared category at the MN state shoot. If the shooter did not attend the state shoot their category will be determined by what the ATA provides us with.
- It is the shooter's responsibility to make sure their shoot records are correct on the ATA website. Once teams are determined additions will not be made because targets were not recorded with the ATA.
- Shooters must compete at a minimum of 4 different clubs* in Minnesota (**NOTE: Junior and Sub-Junior categories are exempt from this requirement**).

*Your resident Minnesota Zone Shoot and the Minnesota State Shoot, regardless of location, EACH count toward your 4 required clubs. If you attend an additional ATA registered target event at that location it will also count toward your club requirements.

Example: Jane attends her resident MN Zone Shoot in Alexandria and attends the MN State Shoot, also held in Alexandria. Earlier that spring she attended an ATA registered shoot put on by the club at the Alexandria Shooting Park. Jane now has fulfilled 3 of the 4 Minnesota club requirements for consideration of the 2019 State Team; she will have to attend an ATA registered shoot at another location to complete her 4 different club requirement.

Target Requirements

- In addition to the general requirements, please note the specific target requirements necessary for your category:

Please take the time to build a youth program at your local club. The future of our sport and all shooting sports is in our young people. It is our responsibility to provide them with positive experiences that will start them on the lifelong enjoyment of trapshooting.

YOUTH DAY

(Minnesota Residents Only)

Tuesday July 5, 2022

FREQUENTLY ASKED QUESTIONS

Who can participate? Youth Day is for Minnesota resident youth shooters who fall into AIM age-category guidelines.

Do I have to bring my own shells? Yes. You will be required to bring whatever you will need to shoot the events you choose for the day. Shells are available for purchase on site.

What else should I bring with me? Bring your ATA membership card (the hard blue or orange card with your ATA number on it), your ATA paper average card, a check or cash for registration, your gun and shooting supplies, and be prepared for a fantastic day! Many shooters also bring a small cooler with snacks and drinks. Alexandria Shooting Park will also have items for purchase.

Is it expensive for my youth shooter to participate? No, in fact the MTA grants each Minnesota-resident youth shooter discounted target costs for youth day. In addition the MTA provides discounted targets for the remainder of the shoot for all events. The MTA also pays for the first year's membership dues to the ATA. Shells are the responsibility of each shooter for the events they wish to participate in.

Does the MTA take credit cards or debit cards? No, cash or checks only. There is no ATM onsite so please make sure your shooter comes prepared.

What time should I arrive? Registration begins at 8:00am so plan to come early and be prepared ahead of shooting time, especially if you are looking to join a team or for someone to complete your team. Shooting begins promptly at 9:00am.

I'm a Sub-Junior but my friends are all Juniors – can I shoot with them? Yes. Youth shooters of different age categories may choose to shoot together however, for team award purposes, the shooter with the oldest age category will determine the category for the entire squad. For example: 4 Sub-Jr's and 1 Junior shooting on the same squad will be considered a Junior squad for team purposes only.

I do not have a team. Can I still compete? Absolutely! Youth Day is both a team and an individual competition. Sometimes there are partial teams looking for shooters in their category to make a full team too, so check with shoot staff when you get to this year's Youth Day for more information.

When will trophies be awarded? The Awards Ceremony will convene 1 hour after the final shooter has completed their round.

More information will be mailed out to current ATA youth shooters, gun clubs throwing ATA targets in 2022, and available online at the MTA's official website www.minnesotatrap.com.

If you have specific questions regarding Youth Day, please contact Mark Stevens (612-703-6155) or Sally Stevens (763-486-0853).

HELP SAVE LABOR COSTS

Alexandria Shooting Park has done a great job controlling our labor expenses since they started holding our shoot. To help maintain our low costs, the club and the MTA request that shooters not wishing to save their hulls please catch them and hold them in a bag until you are finished shooting, then discard them in a trash bin.

This will save the labor time required to clean up our fields.

Thank you for your help.

WHAT IS THE DIAMOND BADGE AND WHY DO WE SHOOT FOR IT?

The historic Minnesota Diamond Badge has been in competition since 1885, when George Baldwin of St. Paul won it with a score of 43x50. The badge was donated by the St. Paul citizens and was competed for at the State Fair. The badge was an elaborate affair in design, with guns and other sporting designs, and carried a perfect one-karat diamond in the center. It was a perpetual badge never to be in the possession of any one individual.

The Minnesota Diamond Badge originally consisted of 26 targets at 16 yards and 12 pair of doubles, for a total of 50 targets. It was considered the Minnesota State Championship from 1885 through 1913 until the American Trapshooting began State Championships in 1914.

Each year Minnesota shooters relive the past by competing in a fun shoot with hopes of being honored a Diamond Badge replica. While the shoot format has changed, the competitive spirit associated with Diamond Badge lives on. Good luck today, shooters!

The Minnesota Trapshooting Association is the current custodian and it is kept locked away in a safety deposit box in St. Cloud, MN.

HOW THE ATA SUPPORTS STATE ORGANIZATIONS

The ATA, in its program of building strong state associations, aids them financially. From each \$20 ATA annual membership, \$2 is returned to the state organization. From each \$500 ATA life membership, \$250 is returned to the state organization over a ten (10) year period, and part is retained in a special ATA emergency fund.

From the \$3 daily fee you pay, twenty percent (20%) is returned to the state organization.

The MTA's refund for 2022 from the ATA is \$5,166.00
