

THE PEOPLES ACTIONS

Unleashing American Energy

Executive Dis Orders | April 7, 2025

By the authority vested in We, the people, by the Constitution and the laws of the United States of America, it is hereby ordered:

Section 1. Background. America is blessed with an abundance of patriotic federal workers that have historically powered our Nation's economic prosperity. In recent weeks, burdensome and ideologically motivated acrimony has threatened the lives and livelihoods of American citizens and residents and has served to benefit only billionaires. The actions of Don the Con and his sycophants have weakened our national security and therefor, We are taking back OUR HOUSE AND OUR COUNTRY.

It is thus in the national interest to EVICT DON THE CON. Not to worry, there are many places he can go. There's Mar-a-Lago. CECOT in El Salvador. We've even heard it's fun to stay at the YMCA.
