The Lord Bless you and keep you; The Lord make His face shine upon you, And be gracious to you; The Lord lift up His countenance upon you, And give you peace." AMEN

-Numbers 6:24-26 (NKJV)

a short story...

I found the Bible at the young age of 7. I remember my mom, who is now in heaven, took me to church every Sunday and often prayed for me each time I told her something in my heart and needed help.

My parents would always encourage me to read my Bible and hide the Word of God in my heart as I grew older. My parents and guardians will also often teach me by the Word and give me advice from the Bible. My mom always insisted I confess the word of God anytime I faced a challenge.

Being so young, I didn't understand why the Bible was so important, but as I grew older and took on more responsibilities, I wanted to be wiser too, and each time I had a question, I always found the right answers in my Bible - the Word of God.

At 17, I decided to live my life for God after a personal experience with God, and this was the best decision I have ever made.

From that day till today, I have learnt to find my identity and discover who God made me to be in the pages of my Bible - the Word of God!

MY BELIEF ALWAYS IS - IF GOD SAYS IT, I BELIEVE IT AND I CAN DO IT! AFTER ALL, HE MADE ME AND MADE THE WHOLE EARTH.

a short story...

From struggling with knowing who I was and who God made me to be, I am now bold, strong and courageous, all because I choose daily to find my identity in the Word of God.

Confessing and understanding the Word of God - the Bible is so important. Over the years, I have learnt to read my Bible and personalize it to myself daily so I can live the words it says.

I have written this book to help you learn to confess the same Word that changed my life and your parents' or guardians' lives, too. I ask you to come on this journey with me as we personalize the Word of God to ourselves daily.

Every day has only a bible text and a confession, my prayer is that the affirmative words in this book will help you get better daily and be all God made you to!

This book is yours to keep; say the words over and over again. Just like me, you will find that no matter how many times you say it, it will speak differently to you and mean something different.

I hope you will never get bored of using this book, and it will become a part of you.

God made you; God made me, and He made all of us special and unique. Remember You are Loved perfectly by the King of the Whole Earth.
