TO WHOM IT MAY CONCERN

The Bassendean Bowling Club (The Club) has function facilities for hire where you can entertain your guests in a relaxed and friendly atmosphere. The facilities provide for weddings, special birthday occasions, Christmas/social parties, corporate and social bowls days.

The facilities include:

A huge hall which can accommodate 150 people to party the night away.

A fully equipped kitchen should you wish to prepare your own food. Our staff can provide catering to suit your event subject to availability of our caterers. Outside caterers can be used to provide for your event but must be approved by The Club.

If you wish to use table clothes and tea towels you will need to supply them yourself. Please note that if you use our containers for storage, they must be returned the next day and you must inform bar staff that you are taking them with you.

An outdoor BBQ area for your entertainment which is ideal for a social or corporate bowls event.

First class grass bowling greens that can accommodate up to 60 bowlers at any one time. Quickly becoming an alternative to corporate golf days; the cost is a lot less and The Club can provide bowls for the occasion. Also good for a social event that you could combine with that special birthday event. {Drinks/Alcohol OR Smoking on the greens is strictly prohibited}

Fully licensed bar facilities which extend to the whole club premises excluding the bowling green.

BYO is not permitted under The Club License.

We would welcome the opportunity to show you the facilities available at The Club.

Yours faithfully,

Nicki Fagence - Events Coordinator
