To Whom It May Concern:

I am pleased to write a letter of recommendation for Joseph Loicaco, a former cadet of the Foothill Fire Academy Class 17 which began Sept 27, 1997 to June 13, 1998 with an immense amount of motivation, discipline, and eagerness to learn which quickly carried over to his peers. He excelled in all areas of instruction and with his Marine Corps background, people skills, an outstanding leadership ability he soon became an engine company captain.

After further proving himself as a captain, he was put in charge of drilling the class in marching and other duties which were appointed. During physical training he regularly lead the PT runs and called cadence which further boosted morale.

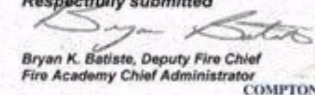

His overall appearance was continuously observed in daily inspections. He always presented himself squared away with an outstanding uniform, highly spit shined boots and overall attention to detail.

Joseph's eagerness to learn continued as he attended numerous optional classes with the City of Monrovia fire department in his own free time. He was the type of guy who always had something positive to say and when he spoke, people listened. He is a team player, hardworking with an all around exceptional character.

In closing, I would like to add that Joseph graduated on June 13th of 1998, with "honors" academically and the second best time in the physical agility. Mr. Loicaco made a lasting impression on the Foothill Fire Academy staff as a cadet "most likely to succeed".

Please accept the following attachments as the training records and documentation for Joseph Loicaco. The training records reflect 348 hours of firefighter I training as set forth by California State Fire Marshal's office, with an additional 428 hours of firefighter in-service training for a total of 776 hours. Joseph is one of a very limited number of cadets aloud to participate in firefighter in-service training with experience paid firefighters within the area cities. This level of training is given to firefighters with two or more years on the job. Joseph attend this training in addition to the Fire Academy.

Should you have any questions or concerns, please contact me at Compton Fire Department, (310) 655-4607.

Respectfully submitted,

Bryan K. Blissett, Deputy Fire Chief
Fire Academy Chief Administrator

Dear Mr Streiff,

When I came across your opening for a sales assistant at ABC Company, I was beyond thrilled. I would value the opportunity to contribute the same award-winning customer service as I have at my current role at XYZ Corp.

I have seen that ABC Company will soon be relocating to a larger site, following three consecutive years of increasing trade. My most recent experience involved a similar situation. As a retail assistant at XYZ Corp I assisted with a move to a new 200 square metre site, helping to successfully adapt visual merchandising for the larger space. To further assist the move I helped train 5 new incoming staff to manage the increase in footfall.

After the move to the larger premises my own sales figures improved by 50% per month, contributing to an overall sales increase of £700,000 per annum. I'd love to be able to help achieve the same success for a vibrant local business such as ABC Company.

Thanks so much for taking the time to consider my application. Please do give me a call at your convenience, so we can discuss the role further. I'd love the opportunity to develop my skills at a business that's a Merseyside success story.

Yours sincerely,
Sophie Spencer
