## SECRETARY POSITION JOB ANNOUNCEMENT

The City of Phoenix Municipal Employees Association (COPMEA) organization is a non-profit organization and is the official social organization for the City of Phoenix.

COPMEA is currently recruiting a fulltime secretary position. The fulltime position days are Monday through Friday, 8 a.m. to 5 p.m. This position does not offer any benefits and parking is not included. The hourly wage is \$13 per hour.

The COPMEA board will facilitate two rounds of interviews for the most qualified candidates. The second interview process are for the candidates who advance to the second round. The interview process is tentatively scheduled for the end of June.

The fundamental reason this classification exists is to perform skilled secretarial duties and provide quality customer service at the front counter, over the telephone, via e-mail and in person. Independent judgment in the disposition of routine matters, providing support to the COPMEA board and serving the membership is an important element of this position. The secretary may work alone in a small office or as part of a team, manage major events and other administrative functions.

Please email a resume and cover letter to the COMPEA email address at [copmea@copmea.com](mailto:copmea@copmea.com) by **June 22, 2018**.

The COPMEA Office recruited a temporary employee until we can do an official recruitment. Her name is Renee Dominguez. Mrs. Dominguez volunteers for various community and school functions. She is one of the community leaders for Homedale, coordinates large events at Smith Park, established three booster clubs for César Chávez High School football, wrestling, and women's basketball programs. Welcome Renee!

Dear Valued Members,

We thank you for your continued loyalty to COPMEA. The COPMEA Board is grateful for the long-lasting opportunity to amiably serve its membership during its 61-year journey. With forward thinking and innovation, six decades ago, a group of city employees formed COPMEA, a non-profit organization for the purpose of promoting the best interests of all City employees, retirees and its associates. COPMEA continues to offer numerous discounts and uplifting and reasonably priced social, cultural and educational activities that enhance the morale of the City organization. COPMEA member suggestions are the primary source of ideas for these activities.

COPMEA has served multiple generations and aspires to serve generations to follow. Our events are known to promote family unity, team spirit and leadership. In COPMEA's historical existence, dues were only increased twice in six decades from its original price of \$2 monthly. In 2003, the monthly fees for a single membership increased to its current rate of \$4 and \$8 for a family membership. COPMEA's sustainability is contingent on membership dues and cannot maintain operations under the current costs of our ever changing economy.

We are certain you understand the critical need to slightly increase dues by \$6 monthly. Here are some of the ways we demonstrated our generosity and commitment to enhancing your experience over the 61 years:

- monthly membership meetings enlightened with food, door prizes and BINGO for all ages
- economical and well-orchestrated trips to San Francisco, Los Angeles, San Diego, Las Vegas, Rocky Point, etc.
- cost-effective family events such as picnics, bowling, laser tag, movies, plays, Castles N' Coasters, Big Surf, Kentucky Derby, dances, concerts, etc.
- multiple discounts to local and California amusement parks and theater, all sold to members at cost

Additionally, COPMEA pays office expenses to include but not limited to:

- \$6,000 in-kind donations annually to the Parks and Recreation Department and Hands and Hearts Faire as an office space lease agreement
- the installation of an automated debit/credit card system at no extra charge to members for its fees and usage
- salaries, vacation and sick leave for two fulltime office staff
- actuarial economic studies every five years
- annual audits to comply and maintain non-profit status
- accounting firm fees for payroll and business transactions to maintain an annual budget
- monthly internet with firewall and computer software license fees
- Other operational functions to support the organization

Effective October 26, 2018, monthly dues shall be in the following amounts

1. Single Membership - \$10 per month
2. Family Membership - \$14 per month
3. Co-Membership (split membership) - a husband and wife, each maintaining their own membership, shall each pay \$7 per month
4. Single Memberships for retirees and associates - \$120 annually
5. Family Memberships for retirees and associates - \$168 annually

At COPMEA, we are always thinking about how we can best serve current members and prepare for the next generation of members as we manage current operations and plan for the future. As we advance, it continues to be important that we keep pace with an ever-increasing cost of living. COPMEA will continue to evolve and strive to provide exclusive events and implement new ideas to enhance your quality of life. Thank you for your support. The COPMEA Board's objective is to ensure we have the resources to keep the organization active for our loyal members.

Sincerely,  
Your COPMEA Board

Sam's Club will be in the COPMEA office on June 22, 2018 from 10:00 to 2:00 signing up members interested in a Sam's Club membership
