

Trout Festival

P.O. Box 751
Flin Flon Manitoba
R8A 1N6

Dear Business Owner/Operator/Organization,

It's time to plan the **2026 Trout Festival** and we are seeking donations for the **Trout Festival** and the **Fishing Derby Event** . We have partnered with **Denare Beach Recreation** and will have a tournament that includes both sides of the border including all lakes from latitude 54-55.

Trout Festival Fishing Derby is running May 29th – June 29th, 2026.

This event will be a catch/picture/release style derby with registration packages at local locations.

We are asking if you would be willing to donate prizing or cash to this event. Trout Festival has committed \$2000 in prize money already. With this contribution, you will be included as a community sponsor and you would help ensure we can make this happen for our communities.

If your business/organization is interested in this opportunity to contribute for the Trout Festival, it would be greatly regarded. We thank you for your time and consideration.

For any further questions in regards to sponsoring the fishing derby event, feel free to contact one of the Fishing Derby Coordinator: Colleen – at 204-271-4335

Cash support can be picked up, mailed or we can also do etransfer if preferred to:

ftteddytrout@gmail.com please use password **tf2026**

Prizes will be picked up or can be dropped off at Creighton Recreation/Tourism office (beside Creighton's Pizza). Please include the value as it is easier than to match prize to winner.

Thank you,

Fishing Derby Coordinators
