

## Information that is gathered from visitors

As is common with other websites, cookie log files are stored on the web server saving details such as the visitor's IP address, browser type, referring page and time of visit. Cookies may be used to remember visitor preferences when interacting with this website. Where registration is required, the visitor's email address and a username will be stored on the server. By using this website, you consent to our use of cookie tracking to provide a better experience.

## Visitor Options

If you have subscribed to one of our services, you may unsubscribe by following the instructions which are included in the e-mail that you receive.

You may be able to block cookies via your browser settings, but this may prevent you from accessing certain features of this website.

## Cookies

Cookies are small digital signature files that are stored by your web browser that allow your preferences to be recorded when visiting the website. Also they may be used to track your return visits to the website.

3<sup>rd</sup> party advertising companies may also use cookies for tracking purposes.

## Google Ads

Google, as a third party vendor, uses cookies to serve ads.

Google's use of the DART cookie enables it to serve ads to visitors based on their visit to sites they visit on the internet.

Website visitors may opt out of the use of the DART cookie by visiting the Google ad and content network privacy policy.

## Google Analytics

Google Analytics, as third-party vendor, uses cookies to collect data from websites visitors including but not limited to time on the site, device information, browser information, etc. By using this site, you consent to our use of this data.

How Google uses cookie data when you use our site:
