

Meet Mattie — The Heart Behind “Special Tees”

Hi, I’m Mattie! I’m part of the team at Proforma Marblehead Marketing.

I’m 20 years old and I’m learning how to be a businessperson. I work with my dad at his company, and we started something really cool called Special Tees.

It’s all about helping people like me — people who learn differently — get real experience, meet great people, and spread some smiles along the way.

Here’s how I help at Proforma:

- I talk to people and tell them about what we do
- I share fun ideas for cool swag and branded gear
- I make sure everyone feels welcome and seen
- I’m learning how to be a great speaker and team member
- I show people that working hard can be fun

Thanks for letting me introduce myself!
I’m proud to represent a company that believes in ability, creativity, and kindness. 💙💛

What's Special Tees?

It's a program my dad and I created to give people like me a chance to work, grow, and do something meaningful.

WHY I'M DOING THIS

I learn a little differently, but I love people, business, and swag!

This is my way of gaining confidence, making connections, and doing work that matters.
