

MEMORANDUM OF UNDERSTANDING (MOU)

Between

[Raydium Exchange] **and** [Solana Blockchain]

1. Purpose

This Memorandum of Understanding (MoU) sets forth the framework for cooperation between [Raydium Exchange] and [Solana Blockchain] to facilitate internship opportunities. The objective is to allow interns trained or recruited by Raydium to gain professional experience by working with Partner companies in the cryptocurrency and blockchain ecosystem.

2. Scope of Collaboration

- **Internship Placement:** Raydium shall provide a pool of interns with knowledge in blockchain, trading systems, DeFi, and related areas for consideration by Partner companies.
- **Partner Commitment:** Partner companies agree to review intern profiles shared by Raydium and, subject to their internal policies, may hire them as interns.
- **Training & Development:** Raydium shall ensure that interns undergo initial orientation and skill development before referral. Partner companies may provide additional role-specific training during the internship period.
- **Mutual Support:** Both parties agree to support the career growth of interns and promote knowledge exchange within the blockchain and cryptocurrency sector.

Roles & Responsibility of Raydium Exchange

- Source, screen, and recommend interns.
- Provide baseline technical and soft skills training.
- Serve as the central point of contact for intern-related queries.

Partner Companies:

- Select interns through their recruitment process as per company policies.
- Provide work assignments, mentorship, and necessary resources to the interns.

- Offer feedback to Raydium on intern performance and program effectiveness.

4. Duration

This MoU shall remain effective for a period of [3 years] from the date of signing unless terminated earlier by mutual written agreement.

5. Non-Binding Nature

This MoU is intended to outline a collaborative understanding and does not create any legally binding obligations on either party. Specific internship agreements, if required, shall be executed separately.

6. Confidentiality

Both parties agree to maintain confidentiality with respect to any proprietary information shared under this collaboration.

7. Governing Law
