## Volunteer Opportunities Still Available

### Littleton Stride Volunteers Needed

Hello All,

The department is looking for six to 10 volunteers to help with traffic control for the Littleton Stride **this coming Sunday**. Commander Cooper just informed us that they are in need of help.

If you can, the event is Sunday, October 24th from 7AM to approximately 11AM. Volunteers would need to report to the Littleton Museum just before 7AM. The CSV car will need to be used to get volunteers to their posts, so we will need 1 CSV to pick up the CSV vehicle at the PD.

Sign up if you can help out.

**SIGN UP HERE**

**We still need volunteers** to assist with the Citizens Academy and Drug Take Back. Please reach out to me for dates/times.

If you have any questions please feel free to contact me at  
[lpcaaa@littletongov.org](mailto:lpcaaa@littletongov.org)

Thanks,

Tami Wasson  
Volunteer Coordinator

### A Message from the President

Dear Membership –

We are halfway into 2021 and continue to press forward. Let's take a moment to recognize and applaud our perseverance over the past year and a half. We've made it through a global pandemic together and are on our way to refreshing beginnings. What an exciting feat for us all! We did it. We stepped out of our comfort zone, learned, and overcame challenges. Now, it is time to continue our work with passion and purpose.

Chief Stephens has announced that we can begin meeting in person at the Littleton Police Department. It is the LPCAAA Board's plan to host our first in-person/virtual experience in August (since there will be no meeting in July). Through the end of the year, all meetings will be held virtually and in-person to accommodate everyone's social comfort. At that time, the newly elected Board Members will decide how to proceed.

2020 sent us rolling through changes and we pivoted and maintained our connectedness through a historical time. As you are aware, change is inevitable and the only constant. Nominations will be beginning soon for the turning

Board, and the present Board hopes that you will be eager to step up and lead the LPCAAA Membership through a period of recovery and rebuilding. This will be another milestone moment for our prized organization and calls for strong and intentional leadership.

As we have more information on the Election Committee, we'll be contacting our membership for recruitment. Upcoming opening board chairs will be: President, President-Elect, Treasurer, Director of Membership, Director of Marketing, Director of Programs. Please begin considering your gifts and what you will bring to the organization that will continue 20+ years of community engagement that closely binds our homestead with our local police. They need our support more than ever.

The upcoming onsite Citizen Academy will be our first step in rebuilding the LPCAAA and continuing our mission. The LPCAAA's mission is to assist the Littleton Police Department in making our community a safer and better place to live. We cannot do this without strength and loyalty to our cause.

I will be with you virtually for the remainder of this year as Savvy and I are relocating in July to a slower pace with peace and quiet on the docket. This journey with you has been fulfilling, challenging, educational, and all around beautifully perfect.

In the upcoming months, I can't wait to see you all in person and personally deliver a few hugs along the way! Until our next gathering, stay safe and be purposeful.

Yours truly –

Jessica Martin

LPCAAA President

### A Letter from the President

Dear Membership –

We are already through the first quarter of 2021! Together we have managed to keep the momentum going and think of topics to keep us fresh and in touch. It hasn't been easy, and we've had our fair share of obstacles. But together we

continue to show up, be strong, and continue onward.

We have a few updates that I'm sure will make you excited and give you a little extra umph in the coming couple months.

First, CSV 1 and CSV 2 will be returning to duty late April to mid-May. There will be new safety information reviewed and a refresher course for all participants. More details will come as we near the light at the end of the tunnel.

Second, there has been difficulty in securing monthly speakers. Don't fret! We have two CELL events that will be hosted virtually June 4 and 24. The flyer is attached for June 4th. Both events are paid for by the LPCAAA and can host up to 50 participants. We look forward to seeing you and engaging with you during this informative session.

Third, yes, there is more! Seeing that there isn't a speaker this month, let's meet up and share some hot tea together, maybe a glass of wine, have a few snacks, and catch up. How is this going to be enjoyable? Plan for about an hour, and we're going to break out into small chat rooms so we can catch up with our friends, peers, and maybe even meet someone new. During the hour, we will change the rooms up every 15 min so everyone can connect and enjoy some well overdue one-on-one time.

Fourth, we have a new website! It is currently under review of the Board, but is live! Please take a look and let us know what you think. Our hard working Director of Marketing will be making a formal announcement once the site review has been completed.

Thank you for everyone that continues to introduce ideas about different engagement opportunities for our organization throughout 2021. These topics are being discussed and presented, and we will follow up on them soon.

As restrictions begin to moribund, we can begin to consider in-person meetings in a couple months with social distancing. For the remainder of 2021, we will continue to host the meetings virtually, even if we meet in-person, to ensure that everyone is included and can participate.

2021 is shaping up to be a beacon of hope that we've waited for throughout the past year. Thank you all for hanging in there and making the best of the circumstances we've been dealt.

Please continue to reach out and touch base at [lpcaaaa@littlegov.org](mailto:lpcaaaa@littlegov.org).
