After 18 years of lobbying & collaborating, "MLK Day" was enacted in 1986. Year 2016 is the 30th Anniversary. Atlanta: City of Peace Inc. "Help our Global Family celebrate Coretta, a GREAT Sister!"

OUR DREAM: Planting "Coretta's Global Peace Garden"... This initiative welcomes collaborators (local-global) to develop the world's largest peace garden in memory of a GREAT sister in our Global Family: Mrs. Coretta Scott King (1927-2006). She succeeded in establishing MLK Day, and Year 2016 is also the exact 10th Anniversary of her passing. All are invited to become key official co-founders of this envisioned peace garden by signing the [New Online Petition](#). Details at:

OPEN INVITATION TO MUSICIANS: Become a key official cofounder of "Coretta's Global Peace Garden" and host a concert to help us publicize our historic socialaction petition. FACT: It was a musician, **Stevie Wonder**, who delivered GREAT success to the MLK Day campaign when he released the 1980 single "**Happy Birthday**" and hosted the 1981 "**Rally for Peace**" **Press Conference**. Six million signatures were collected for the petition to Congress! It became "the largest petition in favor of an issue in U.S. history." In Mrs. King's early life, she was an accomplished singer, plus often used music in her civil rights work.

ABOUT "Coretta's Global Peace Garden" (CGPG) INITIATIVE: The CGPG initiative is seeking collaborative civic, government, and business leaders (local-global) to plan and plant "The World's Largest Peace Garden" so the globally-respected peace legacy of Coretta Scott King may be celebrated for generations to come. John R. Naugle CGPG-Founder, states: "**We intend to invite the country of FRANCE to design a huge sculpture in the likeness of Coretta, our global family's GREAT sister, and encourage them to donate it for the entrance of the 300+ acre peace garden. France suffered 2 terrorist attacks in 2015 and we know they admire the global nonviolent legacy of the King Family. Year 2016 is the 131st Anniversary of 'The Statue of Liberty' and we feel that FRANCE would be honored to help the world celebrate Atlanta's global peace legacy with a huge 'Statue of Coretta.'**"

The CGPG initiative is a project with Atlanta: City of Peace Inc. (ACP). This organization is welcoming collaboration with many foundations and corporations (local-global) so that it may eventually succeed in its ultimate DREAM & goal of having Atlanta transformed and formalized into a Global Capital of Peace. ACP believes that a huge windfall of economic, spiritual, and societal reward will flow to Atlanta as it learns to better advantage "**Tourism: The World's Biggest Peace Industry!**"

Coretta Scott King stated:

"There is a spirit, a need, and a servant at the beginning of every great human advance. Every one of these must be right for that particular moment of history, or nothing happens."
