

GUMCY GROUP

您值得信赖的高品质设计建造商!
One stop quality home building service

OUR VISION

ABOUT US

No jobs are too small or too big. With more than 10 years' experience in the HOME BUILDING market partnered with elite consultant teams, we are confident to provide excellent services to every single customer. Brand new customised house, Duplex, Townhouses, Renovation, Extension, Knockdown & Rebuild, even Land Development, your expectations are always our top priority. We take pride of our job in every aspect of the project throughout the entire workflow, not only in the BUILD part. We throw our passions in from planning, designing till final delivery of your bespoke home. With solid experience on budget drafting, project scheduling and quality control, the home will be completed in the most balanced manner.

Licence number 318374C, nominated supervisor 305157C & 83052S. ABN 54605782894.

Our mission

Provide premium customised building service within affordable price.

The GUMCY Difference

Quality Builds

We are experienced in jobs from granny flat to bespoke villas. Gumcy Group conducts a stringent Quality Assurance Process to ensure consistency across all stages. We earn trust and build reputation via focus and commitment upon every delivery.

Competitive Pricing

We take pride of our work. We believe honest is the solid foundation throughout the growth of our business. Being open and honest is not just for a healthy relationship between Client and Builder, it also presents more control and understanding to our client through the build.

Bespoke Service

We provide one on one customer service from design ideas to finish touches. Our architect team and admin team is monitoring each and every project, ready to engage at correct stage to collect ideas with expert knowledge.

Better Communication & Design

We provide services in different languages and we are familiar with lifestyle of our targeted customer. With the help of architect we are able to settle down the house in your dream.

FREE

Interior Design Consultation

Modern, Minimalist, Scandanavian.....and the list goes on. We provide as many interior styles as you wish. Or maybe enjoy to combining elements of several styles to create your ideal look? Gumcy Group specialise in most range of interior design & construction.

Our interior design service includes:

- * Interior design concept development
- * Lighting design service
- * Selection of materials and finishes
 - flooring, paint, wood, cladding
- * Selection of fixtures and fittings
- * Custom joinery
 - kitchens, wall units, bathroom vanities and more

We offer turnkey package

There is less stress using our turnkey service, we take care of any development application and construction hassle.

We provide a one-stop service from initial consultation to satisfactory occupation, quality service at every stage guarantees a silky smooth move in.

Initial site assessment

Our team will organise a free site appraisal to guide you in knowing important information about the whole process and strategies. This process also includes the evaluation of the land you are looking to develop and rebuild. And we provide home loan or construction loan consultancy service at this stage to support your new building funding.

Budget planning

Budget planning is one of the most crucial steps pre construction. Our team would love to assist you with timing and budget guides before taking place. We can give you a detailed cost quotation so that there are no nasty surprises or upselling on option upgrades after you sign the tender.

Design
DA or CDC approval

Work closely with a few professional architects, whether you are considering building a new house or just want to add an extension to your already existing home, we offer a proper design & drafting service to you. We are committed to turning your dream home into reality. Our building design and drafting service in Sydney always comply with local councils development controls.

Home Loan
Consultancy

Are you looking to get a home loan but not sure where to start? We do work closely with Commonwealth Bank lender to develop professional relationships which enables us to negotiate the best possible rates for our clients.

Demolition
Asbestos Free

Our team specialises in all kinds of demolition including bulky concrete, pool and asbestos. Our demolition team are familiar with all historic building in terms of materials and structure. We take pride in our work and will also respectful to the surrounding public to minimise impact.

Interior
Design

We provide as many interior styles as you wish. Or maybe enjoy to combining elements of several styles to create your ideal look? Gumcy Group specialise in most range of interior design & construct.

Construction
Project Management

A successful building project is never complete without an experienced project manager who can keep everything on track. We provide direction from inception to completion of a project. Liaising with council and other authorities, assemble project documentations, engage all consultants, recommend and engage contractors using our years experience to achieve a dream home that meets your specific needs.

Maintenance
Quality Guaranteed

Building a home with sound and safe structure for you to live in is a part of our commitment to you. Every Gumcy home undergoes a stringent inspection program whereby our supervisor's complete regular inspections and quality checks at every stage of the build. Our Home Assurance department will look after you from the day you move into your new home.

Our Quality Suppliers

From the inclusions that come as standard in every home to the finishing touches available from our Design Studio, we've partnered with only the best suppliers to bring you the finest quality in appliances, benchtops, flooring and more.
