

Dear Patients of Dr. Laura Parra,

I am Dr. Mauro Nunes, and I am thrilled to announce that, as of January 12th, 2024, I am the chosen successor to acquire Dr. Laura Parra's dental practice.

Originally from Brazil, I earned my Doctor of Dental Surgery degree and a master's degree in dental materials from the University of São Paulo in 1995 and 1997, respectively. In the summer of 1998, I came to North Carolina to pursue a master's degree in operative dentistry from the UNC-CH School of Dentistry. After completing my studies in 2001, I returned to Brazil, but my love for this place kept 'Carolina in my mind.'

Over the next 17 years, I ran my dental practice and married my wife Silvia, a pediatric dentist with a Ph.D. in Oral Medicine. Our family includes two daughters, Antonia (16 years old) and Helena (14 years old), and our adopted Chihuahua, Luna (4 years old), from Greensboro, NC. In 2018, we decided to expose our daughters to a new culture and the excellent school system of North Carolina. I accepted a position as a full-time faculty member at the UNC Adams School of Dentistry, and we moved to Chapel Hill, NC. Over the past 5 years, I have been teaching, seeing patients at the Dental Faculty Practice, and, most importantly, continuously learning to improve myself.

I enjoy spending time at home with my family, gardening, cycling, exercising, and working on fixing and upgrading our house.

My commitment to your oral health is unwavering, and I am dedicated to providing personalized and compassionate care, building upon Dr. Laura Parra's foundation. I am committed to maintaining the high standards of care you've come to expect. If you have questions or concerns, please reach out to our office. I look forward to meeting each of you personally and being part of your ongoing dental care.

Thank you for your trust; I'm excited about the journey ahead.

Warm regards,

Mauro Nunes, DDS, MS
