

# 5302 WEBSTER Street, Hedley

## MLS® 10366974

3 Bedrooms | 2 Bathrooms | 1,620 sq. ft. | Built in 2017 | Creekside with Workshop

### A Place Where Life Slows Down

Tucked beside the gentle flow of Hedley Creek, this 2017 home offers peace, privacy, and connection to the land. Step into a space that feels calm and alive. Where mountain views greet you each morning and evenings end with the sound of water over stone.

Surrounded by nature and mountain scenery, this home is perfectly placed for quiet living in the heritage town of Hedley.

The bright, spacious kitchen is the heart of the home, with generous counters, a full pantry, and warm light that makes cooking a pleasure.

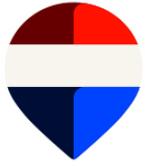

The private primary suite includes a four-piece ensuite, offering a peaceful retreat at the end of each day.
