Owen McNally, Hartford Courant

"It's a perfect musical marriage. A rich, zesty guitar gumbo, Handler & Levesque crackle with tasty elements of classical, swing, Gypsy, Brazilian and a dizzying array of world-music flavorings."

Kevin McEaney, Millbrook Independent

"What made this eclectic concert so wonderful was the incredible unity of their two instruments, which to the ear sounded as a single instrument... They are so accomplished that if you hear them once, you will want to hear them again."
