VILLAGE COLLECTION

www.villagesuppliers.com.au

This holiday season, step into a world of twinkling lights, snowy rooftops, and heartwarming scenes with the Lemax 2026 Christmas Collection. From the timeless charm of Caddington Village to the cozy countryside of Harvest Crossing, each piece is designed to bring your holiday dream to life. Whether you dream of a bustling Victorian main street, a snowy ski lodge escape in Vail Village, or a whimsical candy-coated lane in Sugar N Spice, Lemax has the perfect collection to spark your imagination.

Our 2026 designs are brimming with intricate details—glowing windows, hand-painted textures, and animated features that fill each scene with life. Add the nostalgia of Jukebox Junction's retro holiday cheer, the seaside sparkle of Plymouth Corners, or the magic of Santa's Wonderland, where reindeer and toy workshops make the season come alive. Lighted accessories, figurines, and table accents allow you to personalize every corner of your display, creating a village that's uniquely yours.

Whether you're starting your first Lemax village or adding to a collection passed on from generations before, our 2026 lineup offers endless ways to tell your holiday story. Build a snow-covered mountain retreat, recreate Norman Rockwell's Stockbridge Main Street at Christmas, or let your creativity soar with our versatile facades and landscaping. With themes ranging from traditional elegance to playful fantasy, there's something for every style, space, and collector.

The Lemax 2026 Christmas Collection is more than just décor—it's an invitation to celebrate traditions, create memories, and share the joy of the holidays with family and friends. This year, let your imagination guide you as you craft enchanting displays that will be admired and remembered for years to come. Wherever your holiday spirit takes you, Lemax will be there to make the season bright.
