

# INDIANA EQUINE FOUNDATION CHARITY HORSE SHOW

Hello Horse Show Participant!

Thank you for participating in our Charity event. This sheet will provide you with some basic information to make your participation easier and user friendly.

**Friday of Show Weekend**-You are allowed to move into your stalls at any time after noon on this day. You may bring your own shavings or they can be purchased for \$10/bag. These are large bags so it takes less to fill a stall. There will be a stabling chart posted on the East side of the Horse Barn, and your name will be on your stalls. The stable chart will also indicate the location of the water spigots to fill buckets and wash horses. You may also wash your horses in the cattle barn located directly West of the Horse barn. Hoses are not provided so you may want to bring one. The **FUN SHOW** will begin around 6:00 PM. Plan to join us for games on foot and horseback. This is a great chance to meet others from different equestrian disciplines.

**Saturday of Show Weekend**-The shows will begin at 9:00 AM. The **Hunter/Jumper Show** will be in the large ring. The **Open Western Show** will be held in the smaller ring. You are allowed to warm up/school until 8:30 AM. There are lights available for both arenas so you can begin as early as you like. We will also have an area roped off for lunging and warm up. Once all participants have completed the Jumping show, the ring will be torn down and the large arena set for the **CONTESTING SHOW**. (This is a volunteer show so feel free to help if you are able.) We can usually begin this show around 6:00 PM. Once the Contesting Show is completed, we will be setting the arena for the Dressage show the following morning.

**Sunday of Show Weekend**- The **Dressage Show** will start in the large arena at 9:00 AM. Ride Times have been assigned and will be posted on Facebook before the show. The **Open English Show** will begin in the small arena at 10:00 AM. Schooling will be allowed in the smaller ring until approximately 9:45 AM.

Once you have finished showing, please make sure to settle up at the show office located in the Judge's tower/Announcer's stand. **Stalls MUST be stripped before you leave!**
