

Testimonial for Mick MingStones – Thrive in Life

"I would like to extend a huge thank you to Mick MingStones from Thrive in Life for the support, guidance, and inspiration he has provided during his time working with us at Lemington Riverside Primary School.

It has been a real pleasure to work alongside Mick in developing our Forest School provision. I felt we worked extremely well together – Mick brought a wealth of knowledge and experience, and I have learned so many new skills through our collaboration. From practical bushcraft techniques to clever ways of making the most of our limited resources, Mick's input has been invaluable.

I particularly appreciated the time we spent discussing ideas for games and activities, especially for the older children in school. His suggestions were engaging, inclusive and adaptable – and have given me lots of fresh ideas to take forward. Mick also has a brilliant understanding of how and where to source natural materials, which has helped us develop our outdoor spaces in a cost-effective and sustainable way.

Thanks again, Mick, for all your support. I've thoroughly enjoyed working with you and I'm very much looking forward to collaborating again in the future.
