

# PHIL JONES

Video creator

Motion graphics designer

---

## Profile

I live and breathe design, I would have to say that it is more than a passion, it's an obsession! I have an eye for good composition, and I am well rounded in many aspects of design. I am looking to work with a company that would allow me to hone in my skillset in a certain style or specific media.

## Skills

Illustrator  
Photoshop  
Indesign  
Premier  
AfterEffects
