**COMMITTED TO PROVIDING QUALITY
CARE FOR LIVING SAFELY AND HAPPILY
AT HOME**

24 Hours/Day | 7 Days/Week

Our caregivers provide the highest quality of care essential to the improvement of our patients' total physical, emotional, and mental health.

Our caregivers also provide companionship services to assist with activities of daily living (ADL).

Whether services are needed for a few hours a day or 24 hours a day, our caregivers are able to meet your needs.

Non-Medical Home Care Services

Caring Hands understands that we need companionship to live a healthy life. Sometimes we need help with basic chores and errands, and other times just a little company. Caring Hands provides the following services for these circumstances:

- Shower / Bathing / Hygiene Assisting
- Meal Preparation & Serving
- Medication Reminding
- Incontinence Care & Personal Care
- Dressing / Laundry / Linen Change
- Light Housekeeping
- Transportation / Errands / Shopping
- Accompaniment to Appts and Events
- Observation & Supervision for Safety
- And Much More - Contact Us Today

When is it time to consider Home Care Services?

- **Nutritional status changes or weight loss.** Caregivers can assist with shopping for nutritious foods, meal preparation, and socializing during mealtime to encourage food intake. Caregivers can also provide assistance with feeding.
- **Medications are not taken or the wrong dosage is taken.** Our caregivers can provide reminders to take medicine at the appropriate time - providing supervision for safety and communicating concerns.
- **Clothes are not clean** or are being worn day after day without being changed.
- **Recent falls** or balance issues, fear of falling, unsteadiness.
