

NORTHCREST RANCH P. O. A.
ACC Application Instruction Sheet
Misty Lake Pier Construction or Repairs

All building construction, additions, or alterations on site require approval in writing from the Architectural Control Committee (ACC) prior to construction. (See Deed Restrictions for more detail). Property owner must be current on fees and/or fines or any violations of the Deed Restrictions prior to review for approval process.

New Pier Construction Review Process required the following:

- a. Use the Misty Lake Piers Application Form.
- b. One set of plans to include a site plan (to be drawn on a surveyed plat of your lot) showing the dimensions of the lot and distance from Property Lines, Building Lines, and Utility Easements on all sides of all proposed improvements. You should have received a surveyed plat of your lot at closing.
- c. Application should include: Dock size, width, materials information, picture or brochure of proposed improvement, color charts and style.
- d. Initial area that the fine/penalty schedule (posted on the website), has been read and you understood the fine structure. No application will be reviewed without this signed area.
- e. All additional construction must be completed within **six months** or an extension must be requested in writing **prior to expiration** of permit. Only one extension is allowed. Permit must be posted during construction where it is viewable from the street.
- f. Any changes in style or materials must be in writing and approved by the ACC prior to construction.

Submit application package to the following address:

NORTHCREST RANCH P.O.A.
3500 W. DAVIS, SUITE #190
CONROE, TX 77304

REVIEW THE FOLLOWING INFORMATION, SIGN AND DATE. ATTACH WITH CONSTRUCTION APPLICATION FORMS.

I HAVE READ THE FOLLOWING INFORMATION:

OWNER

BUILDER

Please note the following:

1. It is the owner's responsibility to determine all easements and setbacks that exist upon his property. No pier improvements should be placed within these easements.
2. Property owner must be current on fees and or fines before approval process begins.
3. ACC will retain all application packages (including set of plans) for their records.
4. The ACC will notify you within 30 working days regarding the status of your plans.
5. A Northcrest Ranch ACC Pier Permit must be posted (immediately upon receipt) in visible sight from the road during construction. Call and remove when completed.
6. The ACC approval expires after six months, with one extension possible (see 8 below). Once construction begins it must be completed within the permitted time or fines will incur. If not begun, you must go through approval process again.
7. One extension, if requested in writing prior to expiration date, and at the sole discretion of the ACC Committee, may be granted.
8. Must call 936-756-0032 and request setback or building line measurements once forms are set and the area is staked out.
9. The ACC will make several inspection tours of your property after your plans are approved to see if your construction is consistent with the plans approved, and to see if any other "Deed Restrictions" are in violation.
