Dear Mr. Ryan,

I am pleased to inform you that the Wisconsin Right to Life Political Action Committee has enthusiastically endorsed your candidacy for the Wisconsin State Assembly in the 60th District.

Since the U.S. Supreme Court's decision in *Dobbs v. Jackson Women's Health Organization* returned authority over abortion policy to the states and their elected representatives, the work of Wisconsin's legislators has taken on even greater importance. Decisions made in the State Capitol will directly shape Wisconsin's laws and determine how our state protects unborn children, supports women and families, and safeguards the dignity of every human life.

We believe your election would greatly contribute to building a culture of life in your community and throughout Wisconsin. We are confident that you will approach the consequential decisions facing our state with courage, compassion, and an unwavering commitment to protecting innocent human life.

On behalf of the members, supporters, and staff of Wisconsin Right to Life, I extend our heartfelt thanks for your strong commitment to defending the most vulnerable members of our society. We are grateful for your willingness to provide principled, pro-life leadership at this consequential moment for Wisconsin.

Sincerely,

Samantha Craig
