## THE FETISH COLLECTION

OH LÀ LÀ CHÉRI defines a new erotic curiosity into lingerie. We've explored the subjective fantasy of elicit behavior and femininity. Through textile and hardware innovations, our sensual shapes will tame and excite all senses. Combining comfort and offering a collision of erotic appeal, we seek to tap into sentiments of both fascination and fear. As we embark through a journey of sensations this collection will provide moments of play, dark sensuality, and delight.
