

# St. John's Preschool Newsletter

Hello All,

Our summer program has begun! We have included water play weekly into our activity's rotation. Our tie dye shirts came out great and I love seeing the children excited to wear them. We have some exciting themes planned for July such as carnival, space and under the sea.

We received a grant from the deanery and donations from the church which allowed us to add some play equipment to our play yard. We are adding easels to the art area, a basketball hoop and a sandbox. We will continue making improvements to our learning spaces on the play yard as interest change and our program grows.

Please join me in welcoming a few new families to our wonderful community. We are excited to have you and look forward to a wonderful learning adventure together.

With love,

Ms. Shonece
