

ECO Pack Disaster Supply

As part of our Disaster Supplies, we require that each family purchase an Economy Life Pack for their child.

The cost is \$25.00 per pack per child.

The Economy Life Pack provides:

3 days of emergency food,
9 packs of purified water,
1 solar blanket
and a small first aid kit.

With a shelf life of 5 years, the pack is yours when your child leaves St. Michael's Preschool.
