

STARTUP COMPLIANCE CO.

A Pro-Compliance Division

GRC & Legal Services for Maturing Startups

The Compliance Gap

Most startups hit a wall when compliance complexity outpaces their internal capacity

Regulatory exposure
grows faster than the team

Legal costs spiral
without specialist support

Investor due diligence
reveals compliance gaps

No in-house GRC expertise
at the growth stage

Our Solution

Startup Compliance Co. provides the governance, risk, and legal infrastructure that growth-stage businesses need — without the full-time overhead.

 **GRC Frameworks**

Built for your growth stage

 **Legal Advisory**

Practical, actionable guidance

 **Risk Management**

Identify what matters most

 **POPIA Compliance**

End-to-end implementation

 **Ethics & Whistleblow.**

Protect your people & brand

 **Regulatory Navigation**

SA law, plain language

Who We Serve

Maturing startups across all sectors — from seed to exit-ready

Seed to Series A

Building the first compliance layer before investor scrutiny. Frameworks that don't slow you down.

Series B & Beyond

Scaling governance ahead of institutional capital. Compliance that keeps pace with rapid growth.

Pre-IPO & Exit

Compliance readiness for listing or acquisition. Clean due diligence, every time.

Why Startup Compliance Co.

Backed by Pro-Compliance's decade of trusted GRC experience

Startup-first mindset — we understand founders, not just regulations

GRC + Legal under one roof — no gaps between advisors

Implementation-ready deliverables — frameworks you deploy day one

SA regulatory depth — POPIA, PRECCA, Companies Act, King IV

Scalable engagement — once-off projects to full retainer support

Backed by Pro-Compliance's established track record since 2019

Let's Build Your Compliance Foundation
