#### **How to Use the Checklist**

Review each section to ensure your start-up addresses key compliance areas. Each checklist provides actionable steps to meet South African regulatory standards and support sustainable business practices. While it's a general guide, it's recommended to seek further clarification on specific requirements from relevant legal or compliance advisors.

| Service Provider Compliance and Management Checklist |         |  |
|--|---------|--|
| 1. Due Diligence and Selection                       |         |  |
| Background Check                                     |         |  |
| ☐ Verify the service provider's business             | Explain |  |
| credentials (e.g., registration, reputation, and     |         |  |
| financial stability).                                |         |  |
| ☐ Check for any history of regulatory violations     | Explain |  |
| or litigation.                                       |         |  |
| Experience and Expertise                             | 1       |  |
| $\square$ Assess the provider's industry experience, | Explain |  |
| especially in relation to the specific services      |         |  |
| required.  |         |  |
| ☐ Review case studies, references, or                | Explain |  |
| testimonials from other clients.                     |         |  |
| Licensing and Certification                          | 1       |  |
| ☐ Ensure the provider holds all relevant             | Explain |  |
| licenses and certifications (e.g., ISO               |         |  |
| certifications, data protection compliance).         |         |  |
| ☐ Confirm compliance with local and                  | Explain |  |
| international regulations applicable to the          |         |  |
| service.   |         |  |
| 2. Data Protection and Privacy Compliance            |         |  |
| Privacy Policies and Compliance                      |         |  |
| ☐ Review the provider's privacy policies to          | Explain |  |
| ensure alignment with your data protection           |         |  |
| obligations (e.g., POPIA, GDPR).                     |         |  |
| ☐ Confirm they implement data minimization           | Explain |  |
| principles and collect only necessary                |         |  |
| information.   |         |  |
| Data Processing Agreement (DPA)                      |         |  |

#### Disclaimer

| ☐ Sign a DPA that specifies data processing roles, responsibilities, and compliance requirements. | Explain |  |
|---|---------|--|
| ☐ Ensure the DPA includes data retention, deletion, and incident notification terms.              | Explain |  |
| Data Security Measures  |         |  |
|   |         |  |
| $\square$ Verify that the provider uses encryption,   | Explain |  |
| access controls, and other security measures to   |         |  |
| protect personal and sensitive data.  |         |  |
| ☐ Ensure multi-factor authentication (MFA) and  | Explain |  |
| secure storage practices are in place.  | ·       |  |
| 3. Service Level Agreement (SLA)  |         |  |
| Performance Metrics and Standards   |         |  |
| ☐ Establish clear performance metrics,  | Explain |  |
| including response times, uptime, and   |         |  |
| resolution times.   |         |  |
| ☐ Include consequences for not meeting  | Explain |  |
| performance standards (e.g., penalties,   |         |  |
| corrective action requirements).  |         |  |
| <b>Quality Control and Reporting</b>  |         |  |
| ☐ Define quality control measures, such as  | Explain |  |
| regular progress reports, audits, or reviews.   |         |  |
| ☐ Request periodic reports and updates on key   | Explain |  |
| metrics and service delivery.   |         |  |
| 4. Security and Risk Management   |         |  |
| Security Policies and Controls  |         |  |
| ☐ Ensure the provider has a documented  | Explain |  |
| security policy, covering network, physical, and  |         |  |
| application security.   |         |  |
| ☐ Verify compliance with security frameworks  | Explain |  |
| (e.g., ISO 27001, NIST).  |         |  |
| Incident Response and Breach Notification   |         |  |

| ☐ Confirm that the provider has an incident response plan and will notify you promptly in | Explain |  |  |
|---|---------|--|--|
| the event of a data breach.   |         |  |  |
| $\square$ Specify breach notification timelines and                                       | Explain |  |  |
| reporting responsibilities in the SLA.  |         |  |  |
| Risk Assessments and Vulnerability Testing  |         |  |  |
| ☐ Require the provider to perform regular risk  | Explain |  |  |
| assessments and vulnerability testing.  |         |  |  |
| ☐ Request summaries of findings and any   | Explain |  |  |
| mitigation actions taken for critical   | •       |  |  |
| vulnerabilities.  |         |  |  |
| 5. Compliance and Regulatory Obligations  |         |  |  |
| Compliance with Local Laws and Standards  |         |  |  |
| ☐ Verify that the provider complies with all  | Explain |  |  |
| local and industry-specific regulations   | •       |  |  |
| applicable to their services (e.g., POPIA, GDPR,  |         |  |  |
| HIPAA).   |         |  |  |
| Regulatory Reporting Obligations  |         |  |  |
| ☐ Specify any regulatory reporting obligations  | Explain |  |  |
| that the provider must fulfill (e.g., reporting   | •       |  |  |
| data breaches to the Information Regulator).  |         |  |  |
| Audit Rights  |         |  |  |
| ☐ Include provisions allowing for periodic  | Explain |  |  |
| audits or inspections to ensure compliance with   | •       |  |  |
| contractual and regulatory requirements.  |         |  |  |
| 6. Confidentiality and Intellectual Property Prote  | ection  |  |  |
| Confidentiality Agreements  |         |  |  |
| ☐ Ensure that the service provider signs a  | Explain |  |  |
| confidentiality agreement covering all  |         |  |  |
| proprietary and sensitive information.  |         |  |  |
| Intellectual Property (IP) Ownership  |         |  |  |
| ☐ Clearly define IP rights for work produced,   | Explain |  |  |
| specifying that your company retains ownership  | •       |  |  |
| of any materials created on its behalf.   |         |  |  |
| Non-Disclosure Obligations  |         |  |  |
| ☐ Include non-disclosure obligations in the   | Explain |  |  |
| contract to protect sensitive business  |         |  |  |
|   |         |  |  |

| information from being shared with third                  |         |  |
|---|---------|--|
| parties.  |         |  |
| 7. Payment and Financial Terms                            |         |  |
| Fee Structure and Payment Terms                           |         |  |
| $\square$ Define the fee structure, including fixed fees, | Explain |  |
| hourly rates, or milestone-based payments.                |         |  |
| $\square$ Specify payment terms, including due dates      | Explain |  |
| and penalties for late payments.                          |         |  |
| Invoicing and Payment Schedule                            |         |  |
| $\square$ Establish a clear invoicing schedule with       | Explain |  |
| itemized billing, if applicable.                          |         |  |
| ☐ Include details on currency, payment                    | Explain |  |
| methods, and any applicable taxes or fees.                |         |  |
| 8. Operational and Business Continuity                    |         |  |
| Disaster Recovery and Continuity Plans                    |         |  |
| ☐ Confirm the provider has a documented                   | Explain |  |
| disaster recovery and business continuity plan.           |         |  |
| ☐ Include terms requiring continuity of services          | Explain |  |
| in case of unexpected events or disruptions.              |         |  |
| Backups and Redundancy                                    |         |  |
| ☐ Ensure the provider regularly backs up critical         | Explain |  |
| data and has redundancy plans in place.                   |         |  |
| ☐ Specify backup frequencies and recovery                 | Explain |  |
| time objectives (RTO) in the SLA.                         |         |  |
| 9. Employee Screening and Training                        |         |  |
| Background Checks   |         |  |
| ☐ Confirm that the provider performs                      | Explain |  |
| background checks on employees who will                   |         |  |
| access sensitive data.                                    |         |  |
| Training Programs   |         |  |
| ☐ Ensure the provider trains their employees              | Explain |  |
| on data protection, security, and compliance              |         |  |
| requirements relevant to your business.                   |         |  |
| Confidentiality Agreements for Employees                  |         |  |
| ☐ Verify that all employees handling your data            | Explain |  |
| have signed confidentiality agreements.                   |         |  |
| 10. Termination and Exit Management                       |         |  |

| Termination Clauses  |         |  |
|--|---------|--|
| ☐ Define conditions under which the contract   | Explain |  |
| can be terminated, including performance   | ·       |  |
| issues or compliance failures.   |         |  |
| Data Transfer and Deletion   |         |  |
| ☐ Specify that upon termination, the provider must securely transfer data back to you and delete any residual data within a set timeframe. | Explain |  |
| Transition Support   |         |  |
| ☐ Include terms for transition support to a new provider or internal team if the agreement ends.   | Explain |  |
