About the Freebooters

Formally established in 2017 and a member of the Tampa Interkrewe Council, the mission of The Westchase Krewe of Freebooters is to provide a social, leadership and charitable platform for the benefit of the community that we call home. We deliver support and enhance the spirit that already makes Westchase a great place to live!

During the Gasparilla parade season, our Krewe storms Tampa Bay aboard “The Montague” – our fully equipped, double-decker float named in honor of the very passage which runs through the heart of Westchase.

During the "off-season", we participate in social activities in addition to fundraising events for many charitable organizations such as The Westchase Charitable Foundation, Operation Helping Hand, Metropolitan Ministries, our local schools & our County First Responders.

We seek Krewe members that are committed to having fun & being engaged in the community!

Sponsor Support & Hospitality Provided by...

Jason & Dyan Pithers

Proceeds from this golf tournament will be donated to The Westchase Charitable Foundation. The mission of the WCF is to provide direct financial assistance to Tampa Bay families who have children or parents battling serious illness, or who are faced with severe family tragedy. The Westchase Charitable Foundation is a 501(c)3 non-profit charity that relies solely on fundraising, private and in-kind donations to help raise funds for their financial assistance programs.
