About the Freebooters

Established in 2017 and a proud member of the Tampa Interkrewe Council, the **Westchase Krewe of Freebooters** mission is to build a vibrant social, leadership, and charitable Krewe right where we call home. Throughout the Gasparilla parade season, our Krewe storms Tampa Bay aboard **The Montague**—our iconic double-decker float, named after the passage that runs through the heart of Westchase.

Our mission doesn't end there. Throughout the year, we remain active through Social events and neighborhood gatherings, Fundraisers for causes including the **Westchase Charitable Foundation**, **Operation Helping Hand**, **Metropolitan Ministries**, local schools, and **Hillsborough County First Responders**

We're a Krewe of fun-loving, community-driven individuals who believe in giving back—while enjoying great times with great people. If you're passionate about making a difference and having fun doing it, we are looking for like-minded members to join us.

Be a part of something truly special.

Proceeds Benefit

Westchase Charitable Foundation

Helping Local Families in Crisis

The Westchase Charitable Foundation (WCF) is a 501(c)(3) nonprofit that provides direct financial assistance to Tampa Bay families with children or parents battling serious illness or facing unexpected tragedies.

WCF is entirely supported through community fundraising, private donations, and in-kind contributions. Your support helps them continue this vital mission.
