

Cody Cupp – Team Racer

Cody discovered his passion for mountain biking as a kid by going out and exploring random old closed fire roads and deer trails with his mom. He has raced bicycles off-road since he was a teenager.

Cody has won the Colorado CX (cyclocross) state championships as a junior, collegiate, and elite. He graduated Fort Lewis College with an accounting degree in 2017. While a student at FLC, he contributed impressive racing results as part of their highly successful cycling team. Cody also spent two seasons coaching the Durango Devo Cyclocross team.

When not on his bike, Cody enjoys backcountry skiing and fly fishing for monster rainbows in the Animas River.
