

N.E.T.T. Pairing Process

1. Each team will have 3 cards to represent the three players on the team. Each team rolls off to determine who is Team A and who is Team B will meet at the set of three tables (Table 1, Table 2, and Table 3).
2. Team A will choose one of their players and place the card face down on Table 1. Team B will choose one of their players and place the card face down on Table 3.
3. Teams will exchange the remaining cards for their players.
4. The cards on Tables 1 and 3 are revealed.
5. Team A will chose one of Team B players remaining to face the team A player on Table 1 and place the card face down on table 1.
6. Team B will chose one of Team A players to face the Team A player on Table 3 and place the card face down on table 3.
7. Remaining cards will be placed face down on table 2.
8. All remaining cards are revealed.
