Exaltation of the Holy Cross

The cross was once the most horrible way to die, fit only for the lowest of criminals whose crimes were nailed above their heads as examples to those who would see them. Christ humbled himself, by being born in a barn, by living as a man, and by dying on a cross with the words "King of the Jews" written above his head for all to see. As Christ transformed himself through his death and resurrection, and changed death from something to be feared to the beginning of new life, he transformed the cross from an object of fear to a symbol of hope, and from a sign of death to the greatest symbol of love, and everlasting life.

Next Saturday, September 14th Fr. Hector will have a meeting in Spanish for lectors in the Pastoral Center at 1:30 pm. Meeting in English to be announced.

Please attend this meeting.
