

To WHOMSOEVER IT MAY CONCERN

KANCOR

The Supply Chain Management (SCM) project of M/s.Kancor Ingredients has been executed by M/s Trusted SCM Solutions during April'19-Mar'20 period. We sincerely appreciate the efforts and the professionalism shown by them to complete the project with great efficacy.

Following are the highlights:

Project Objectives:

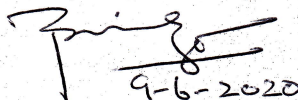

- To study and identify areas of improvement in existing SCM processes and systems
- To recommend sustainable measures to achieve improvements and stabilize processes
- To study and recommend structure and resource
- To audit and report on the implementation of recommendations
- To suggest further measures to ensure continuous improvement

Key deliverables & Achievements:

- Enhanced efficiencies in all areas of Supply Chain function namely Vendor management, Procurement & Contracts, Cost optimization, Inventory, Warehousing, Logistics & Sustainable SCM, also reviewed periodically helped in implementation of SCM process standardization
- Performance culture – created Monthly KPI (Key performance indicators) and monitoring, resulting in improved efficiency
- Integration of SCM function (SCM team re-structuring that helped in leverage common factors and maximize efficiencies)
- Suggested requirements/gaps in ERP system and got it implemented with IT team
- SCM Policy reviewed and recommendations provided for implementation
- Periodically conducted SCM Competency development programme on functional and behavioral aspects.

Wishing you all the best.

Regards,

9-6-2020

Bijo Varghese,
Head Supply Chain.
