

THE WOOLPACK INN

Functions and Family Celebrations

Whether you're looking to host a birthday party, wedding, a celebration of a loved one or just want to celebrate, here at the Woolpack Inn we have the room and the menu to suit your needs.

Our flexible menu options and function facilities mean we are the perfect partner for your celebrations. From a simple buffet to a bespoke 3 course meal, our chefs and events team will tailor the day to your requirements.

We can cater for the most intimate gatherings for a select few to entertaining on a much grander scale. As each function is different, we will work with you every step of the way to ensure your event exceeds your expectations.

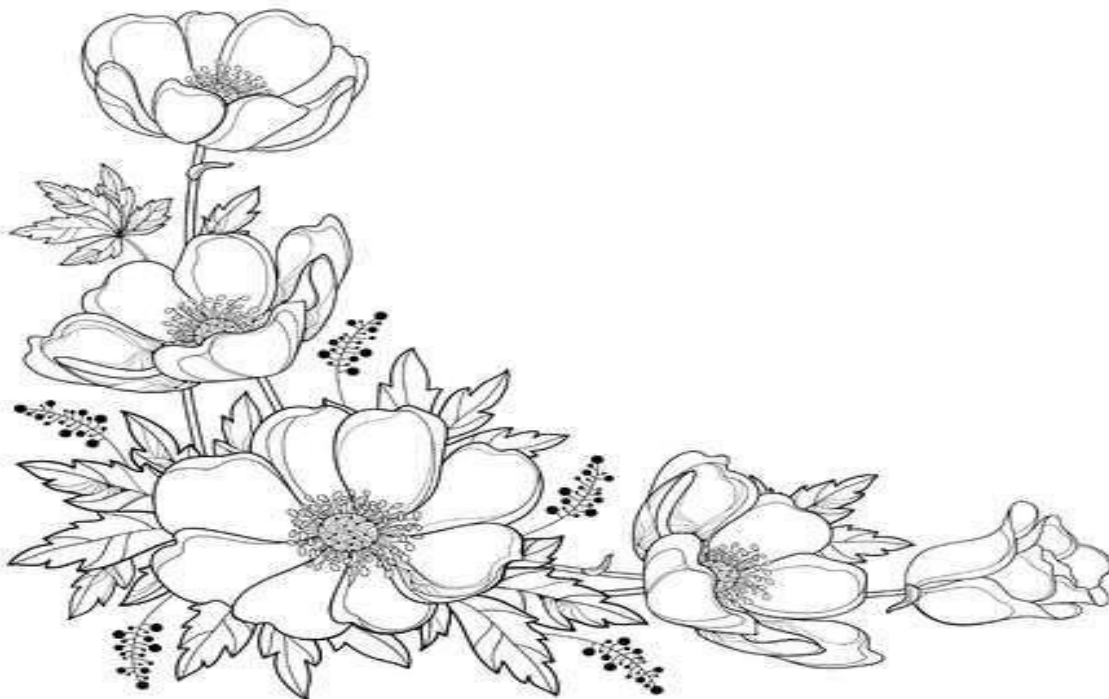

We can accommodate up to 150 guests with a dedicated Function Manager who will look after you and your guests with dedicated waitresses to serve refreshments and stay on hand for any other requirements you have.

We also offer ways to fundraise for charities, from a pub quiz, a music night, a race night or whatever the imagination can think of. Over the years we have raised tens of thousands for various charities and are always keen to help the local community.

We do not charge for the private use of our function room, providing there is a minimum of 30 people and food has been ordered from our function menu.

We also hire out bed and breakfast facilities for your guests that have further to travel.

We can cater for all budgets and have many different options available. Feel free to pop in or give us a call on 01243 785707 to discuss your event details further.
