What an amazing year we have had dancing!!! I truly appreciate being given the opportunity to instruct your children in an art form that I am so very passionate about myself! What a blessing it has been to watch your dancers bloom this year!! The beautiful small seeds that we planted this year have become breathtaking dancing flowers of joy to me ~ each one is unique and have created a lovely bouquet to present to our audience tonight. Plant the seeds and watch them GROW!

Thank You, First And Foremost, To God – Without Him there would be no ‘Miss Evie Sparkles,’ no studio, no students, no loving friends, and family. I am thankful daily for the strength, love, and passion HE instills in me!!

Thank You To My Encore Staff – My staff has stood by my side and lovingly given their amazing instruction, time, and love to your children ~ I am forever thankful that you are a part of my life and the wonderful Encore family. Thank you for your outstanding dedication, passion, and loyalty.

Thank You To Our Encore Parents and Encore Dancers Who Have Enjoyed Another Great Year With Us – I am beyond excited each day when I arrive at ‘my job’ which feels more like my second ‘home’ because of the wonderful parents who support their children’s desire to dance at Encore. It is truly my pleasure helping your children grow in dance skills as well as life skills.

My Final ‘Thank You’ Is To My Mom ~ Ms. Marcia – School can be tough. DANCE can be tough. Life can be tough. However, the lessons that my mom has “taught” me far outweigh anything life can throw at me! I vividly remember a time in third grade when I had so much worry about leaving books at school, or notes at school, or homework at school...and then worrying about forgetting to take something back to school the next day...and my momma lovingly sat me down and worked with me one entire evening developing a plan, getting organized, and learning how to use a planner. It’s the love shown and given to me from my Momma that I continue to carry with me and hopefully pass on to my students. The school lessons, tests, and book reports will fade away, but having someone always in your corner, willing to help you grow each day is a blessing, unlike any other. I only hope that the love she continues to give me each day will forever shine on through me while teaching your dancers.

I count my blessings...

Love and Happy Dancing

~Miss Evie~
